Norway – Software package and information systems – RFI: Solutions for production planning and dispatching of trains

OJ S 85/2026 04/05/2026

Prior information notice or a periodic indicative notice used only for information

Supplies

1. Buyer

1.1. Buyer

Official name: Vygruppen

Email: gry.lund.andersen@vy.no

Legal type of the buyer: Body governed by public law

Activity of the contracting authority: General public services

Activity of the contracting entity: Railway services

2. Procedure

2.1. Procedure

Title: RFI: Solutions for production planning and dispatching of trains

Description: Vygruppen has initiated the OneTrack project (previously called Close the Gap) to procure and implement future system support for production planning and traffic management of passenger trains. The OneTrack project has selected key parts of the tender documentation for review and invites potential suppliers to provide input on these topics. The purpose of the review is to enable the OneTrack project to clarify, improve, and refine the procurement documents ahead of the announcement of the procurement, which is planned for the second half of 2026. Suppliers are encouraged to provide open and honest feedback, particularly regarding topics or elements that may be significant cost drivers or present challenges. For more information and access to documents, please log in to Vy's procurement system, Ivalua. Suppliers are encouraged to log in regularly to stay updated on any questions and answers and new information.

Internal identifier: BPM000449

2.1.1. Purpose

Main nature of the contract: Supplies

Main classification (cpv): 48000000 Software package and information systems

Additional classification (cpv): 48100000 Industry specific software package, 48140000

Railway traffic control software package, 48330000 Scheduling and productivity software

package, 48332000 Scheduling software package, 72200000 Software programming and

consultancy services, 72212140 Railway traffic control software development services
