The procurement is covered by the Government Procurement Agreement (GPA): no
Additional information: Un Document Unique de Marché Européen est obligatoire. La valeur maximale de l'accord-cadre sera en tous les cas le montant total de l'offre classée première au stade de l'attribution. Infrabel souhaite dans le cadre de ce marché travailler sur base d'un système de cascade avec maximum 3 fournisseurs. Par système de cascade on entend que le marché est notifié à plusieurs fournisseurs. Pratiquement, cela signifie que le fournisseur qui sera le mieux classé sur base des critères d'attribution se verra confier la mission du marché et son exécution. En cas de défaillance de celui-ci dûment constatée comme le prévoit la loi sur les marchés publics, le soumissionnaire classé deuxième pourra alors être appelé à exécuter la commande. Cette opération sera répétée vers le soumissionnaire classé troisième si nécessaire. Les conditions détaillées sur le principe et les cas de défaillances seront précisées ultérieurement dans le cahier des charges.
