The contracting authority is purchasing on behalf of other contracting authorities: no

Section II: Object of the contract

II.1. Description

II.1.1. Title attributed to the contract by the contracting authority

Provision of maintenance personnel to maintain the Lynx AH Helicopter – Lynx IBES (In Barracks Equipment Support).

II.1.2. Type of contract and place of performance or delivery

Services

Service category No 1: Maintenance and repair services

NUTS code UKE2 North Yorkshire

II.1.3. Information about a framework agreement or a dynamic purchasing system

The notice involves a public contract

II.1.4. Information about framework agreement

II.1.5. Short description of the contract or purchase(s)

Repair, maintenance and associated services related to aircraft, railways, roads and marine equipment. Joint Helicopter Command (JHC) has a requirement for the supply of maintenance personnel to maintain the Lynx Helicopters. The Authority requires experienced Technicians capable of working on the Lynx Helicopter at Dishforth Airfield, North Yorkshire with possible detached duty at other UK MOD locations (as required).

The potential contractor will be expected to provide the resources to deliver the required 16,833 (estimated) man-hours, however there is the potential for the man-hours to increase or decrease dependant on demand.

The Technicians will be required to conduct aircraft maintenance tasks, including bespoke packages of technical work, aircraft cleaning and manpower substitution tasks. Personnel provided to the Authority must be of, Supervisor grade and be trained in the Lynx AH Mk7 and Mk9a Aircraft (Mechanical) or Lynx AH Mk7 and Mk9a Avionics trade and be able to demonstrate that they are Suitably Qualified Experienced Personnel (SQEP). All Supervisors must have a practical working knowledge of military Work Recording and Asset Management Information Systems, Ideally GOLDesp.

The potential contractor will be required to provide all of their personnel with appropriate Personal Protective Equipment (PPE), including (but not limited to) overalls, safety boots, waterproofs etc.

Personnel may be required to undertake shift work patterns at relatively short notice. All tasks are required to be carried out in accordance with Military Air Regulations, aircraft documentation, risk assessments and health and safety regulations, with flight safety paramount at all times.

The potential contractor will be responsible for reporting output to the MOD.

The proposed contract may be extended at the sole discretion of the Authority for a period of up to a maximum of 12 months. The Authority reserves the right to determine how many months may be taken up.

II.1.6. CPV code(s)

50200000 Repair, maintenance and associated services related to aircraft, railways, roads and marine equipment

II.1.7. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: no

II.1.8. Lots

This contract is divided into lots: no

II.1.9. Information about variants

Variants will be accepted: no

II.2. Scope of the procurement

II.2.1. Total quantity or scope

II.2.2. Information about options

Options: yes

Description of options: The proposed contract may be extended at the sole discretion of the Authority for a period of up to a maximum of 12 months. The Authority reserves the right to determine how many months may be taken up.

II.2.3. Information about renewals

This contract is subject to renewal: no

II.3. Duration of the contract or time limit for completion

Duration in months: 9 (from the award of the contract)

Section III: Legal, economic, financial and technical information

III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

III.1.4. Contract performance conditions

The performance of the contract is subject to particular conditions: yes

Description of particular conditions: To be contained within the ITT

III.2. Conditions for participation

III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions: The Authority will apply all the offences listed in Article 45(1) of Directive 2004/18/EC (implemented as Regulation 23(1) of the Public Contract Regulations (PCR) 2006 in the UK) and all of the professional misconducts listed at Article 45 (2) of Directive 2004/18/EC (see also Regulation 23(2) in the PCR 2006) to the decision of whether a Candidate is eligible to be invited to tender.

A full list of the Regulation 23(1) and 23(2) criteria are at <http://www.contracts.mod.uk/delta/project/reasonsForExclusion.html#dspr>

Candidates will be required to sign a declaration confirming whether they do or do not have any of the listed criteria as part of the pre-qualification process. For candidates who are registered overseas, you will need to declare if you have any offences/misconduct under your own countries laws, where these laws are equivalent to the Regulation 23 lists.

Candidates who have been convicted of any of the offences under Article 45(1) are ineligible and will not be selected to bid, unless there are overriding requirements in the general interest for doing so.

Candidates who are guilty of any of the offences, circumstances or misconduct under Article 45 (2) may be excluded from being selected to bid at the discretion of the Authority.

III.2.2. Economic and financial ability

List and brief description of conditions: (a) Appropriate statements from banks or, where appropriate, evidence of relevant professional risk indemnity insurance

(b) The presentation of balance-sheets or extracts from the balance-sheets, where publication of the balance-sheet is required under the law of the country in which the economic operator is established

(c) A statement of the undertaking's overall turnover and, where appropriate, of turnover in the area covered by the contract for a maximum of the last three financial years available, depending on the date on which the undertaking was set up or the economic operator started trading, as far as the information on these turnovers is available

III.2.3. Technical and professional ability

List and brief description of conditions:

- (a) a list of the works carried out over the past five years, accompanied by certificates of satisfactory execution for the most important works. These certificates shall indicate the value, date and site of the works and shall specify whether they were carried out according to the rules of the trade and properly completed. Where appropriate, the competent authority shall submit these certificates to the contracting authority direct.
- (b) a list of the principal deliveries effected or the main services provided in the past three years, with the sums, dates and recipients, whether public or private, involved. Evidence of delivery and services provided shall be given: where the recipient was a contracting authority, in the form of certificates issued or countersigned by the competent authority, where the recipient was a private purchaser, by the purchaser's certification or, failing this, simply by a declaration by the economic operator.
- (c) an indication of the technicians or technical bodies involved, whether or not belonging directly to the economic operator's undertaking, especially those responsible for quality control and, in the case of public works contracts, those upon whom the contractor can call in order to carry out the work
- (d) A description of the technical facilities and measures used by the supplier or service provider for ensuring quality and the undertaking's study and research facilities.
- (e) Where the products or services to be supplied are complex or, exceptionally, are required for a special purpose, a check carried out by the contracting authorities or on their behalf by a competent official body of the country in which the supplier or service provider is established, subject to that body's agreement, on the production capacities of the supplier or the technical capacity of the service provider and, if necessary, on the means of study and research which are available to it and the quality control measures it will operate.
- (f) The educational and professional qualifications of the service provider or contractor and/or those of the undertaking's managerial staff and, in particular, those of the person or persons responsible for providing the services or managing the work.
- (g) For public works contracts and public services contracts, and only in appropriate cases, an indication of the environmental management measures that the economic operator will be able to apply when performing the contract.
- (h) A statement of the average annual manpower of the service provider or contractor and the number of managerial staff for the last three years.
- (i) A statement of the tools, plant or technical equipment available to the service provider or contractor for carrying out the contract.
- (j) An indication of the proportion of the contract which the services provider intends possibly to subcontract.
- (k) With regard to the products to be supplied: (i) samples, descriptions and/or photographs, the authenticity of which must be certified if the contracting authority so requests; (ii) certificates drawn up by official quality control institutes or agencies of recognised competence attesting the conformity of products clearly identified by references to specifications or standards.

III.2.4. Information about reserved contracts

III.3. Conditions specific to services contracts

III.3.1. Information about a particular profession

Execution of the service is reserved to a particular profession: yes

Reference to the relevant law, regulation or administrative provision: Personnel provided to the Authority must be of, Supervisor grade and be trained in the Lynx AH Mk7 and Mk9a Aircraft (Mechanical) or Lynx AH Mk7 and Mk9a Avionics trade and be able to demonstrate that they are Suitably Qualified Experienced Personnel (SQEP).

III.3.2. Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract: no

Section IV: Procedure

IV.1. Type of procedure

IV.1.1. Type of procedure

Restricted

IV.1.2. Information about the limits on the number of candidates to be invited

Envisaged minimum number 1: and Maximum number 6

Objective criteria for choosing the limited number of candidates: The Authority intends to conduct a Pre Qualifying Questionnaire (PQQ) of which a maximum of 6 company's will be taken forward to ITT stage. Details of the down selection will be contained within the PQQ documentation.

IV.1.3. Information about reduction of the number of solutions or tenders during negotiation or dialogue

IV.2. Award criteria

IV.2.1. Award criteria

The most economically advantageous tender in terms of Price is not the only award criterion and all criteria are stated only in the procurement documents

IV.2.2. Information about electronic auction

An electronic auction will be used: no

IV.3. Administrative information

IV.3.1. File reference number attributed by the contracting authority

HQLF1/188

IV.3.2. Previous publication concerning this procedure

no

IV.3.3. Conditions for obtaining specifications and additional documents or descriptive document

IV.3.4. Time limit for receipt of tenders or requests to participate

18.10.2013 - 10:00

IV.3.5. Estimated date of dispatch of invitations to tender or to participate to selected candidates

IV.3.6. Languages in which tenders or requests to participate may be submitted

English.

IV.3.7. Minimum time frame during which the tenderer must maintain the tender

IV.3.8. Conditions for opening of tenders

Section VI: Complementary information

VI.1. Information about recurrence

This is a recurrent procurement: no

VI.2. Information about European Union funds

VI.3. Additional information

The contracting authority considers that this contract may be suitable for economic operators that are small or medium enterprises (SMEs). However, any selection of tenderers will be based solely on the criteria set out for the procurement, and the contract will be awarded on the basis of the most economically advantageous tender. Suppliers interested in working with the Ministry of Defence should register on the MOD Supplier Information Database (SID) Register, available at www.contracts.mod.uk The MOD SID is a database of active and potential suppliers available to all MOD and UK Defence procurement personnel, and is the main supplier database of MOD Procurement organisations. Please note: the registration and publication of a company profile on the MOD SID does not mean or imply that the supplier has in any way been vetted or approved by the MOD. Suppliers wishing to compete for advertised MOD contracts must respond to any specific call for competition by submitting a separate expression of interest in accordance with the instructions of the purchasing organisation.

Advertising Regime OJEU: This contract opportunity is published in the Official Journal of the European Union (OJEU), the MoD Defence Contracts Bulletin and www.contracts.mod.uk GO Reference: GO-201396-DCB-5097133
