As part of its contract management procedures, the Client will apply the protocol for managing poor supplier performance. The protocol sets out a series of 5 escalating stages to enable the Client to manage poor performance by contractors. At Stage 4, as an alternative to terminating the contract, a notice of written warning can be issued to the contractor. At Stage 5, as an alternative to terminating the contract, a notice of unsatisfactory performance can be issued to the contractor. If a contractor has received more than one current notice of written warning the CPD at its discretion, can consider the contractor's exclusion from future procurement competitions, being undertaken on behalf of bodies covered by the Northern Ireland Public Procurement Policy, for a period of 12 months. If a contractor is subject to a notice of unsatisfactory performance the CPD, at its discretion, can consider the contractor's exclusion from future procurement competitions, being undertaken on behalf of bodies covered by the Northern Ireland Public Procurement Policy, for a period of 3 years. A central Register of suppliers in receipt of current notices and terminations will be maintained by Construction and

Procurement Delivery (CPD) and will be publicly available on its website. This Register will cover all procurements by bodies subject to Northern Ireland Public Procurement Policy.
