Telephone: +47 77750608

Internet address(es):

Main address: <https://permalink.mercell.com/204036894.aspx>

I.3. Communication

The procurement documents are available for unrestricted and full direct access, free of charge, at: <https://permalink.mercell.com/204036894.aspx>

Additional information can be obtained from the abovementioned address

Tenders or requests to participate must be submitted electronically via: <https://permalink.mercell.com/204036894.aspx>

I.4. Type of the contracting authority

Ministry or any other national or federal authority, including their regional or local subdivisions

I.5. Main activity

Other activity: Research and administration.

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

Framework agreement CTD

II.1.2. Main CPV code

38300000 Measuring instruments

II.1.3. Type of contract

Supplies

II.1.4. Short description

Purchase of CTD as described in the requirement specifications.

II.1.5. Estimated total value

Value excluding VAT: 4 500 000,00 NOK

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.2. Additional CPV code(s)

38340000 Instruments for measuring quantities, 38500000 Checking and testing apparatus

II.2.3. Place of performance

NUTS code: NO074 Troms og Finnmark

II.2.4. Description of the procurement

The Norwegian Polar Institute is looking for Conductivity Temperature Depth (CTD) instruments to measure seawater temperature, conductivity and pressure to be implemented on fixed oceanographic moorings in observation systems in Arctic or Antarctic waters for ongoing and/or future monitoring and research projects. For some purposes, instruments are required that can integrate additional sensors, e.g. one or more of the following: chlorophyll, CDOM, PAR, ODO or similar. The instruments will be mounted on multi-instrument moorings and must be capable of withstanding pressures in water depths of at least 300 metres and, for some areas of use, at least 5000 metres. The instruments will be used for one- to three-year distributions. The instruments must have sufficient battery capacity and internal data storage to achieve this.

II.2.5. Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6. Estimated value

Value excluding VAT: 4 500 000,00 NOK

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Start: 31/07/2023 End: 30/06/2027

This contract is subject to renewal: no

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: no

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
yes

Identification of the project: HiAOOS

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

The tenderers shall be a legally established company

III.1.2. Economic and financial standing

List and brief description of selection criteria:
