II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Requirement:

The tenderer must be a legally established company.

Documentation:

Norwegian tenderers:

- Company Registration Certificate.

Foreign tenderers:

Confirmation that the tenderer is registered in a trade register or company register in accordance with the law in the country where the tenderer is established.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Requirement:

Tenderers must have their tax, employer contribution and VAT payments in order.

Documentation:

Tax certificate not older than 6 months calculated from the tender deadline. A tax certificate is defined as:

For Norwegian tenderers:

- Tax and VAT certificate issued by the tax office via Altinn.

For foreign tenderers:

Foreign tenderers must submit equivalent certificates from their own country that show that they have orderly conditions in relation to the payment of tax and duties. If the authorities in the relevant country do not issue such certificates, the tenderer should submit a declaration stating that all taxes and duties have been paid. The statement must be approved and signed by the tenderer's Financial Director/person responsible for finance.

Requirement:

Tenderers must have the sufficient financial strength to fulfil the contract.

Documentation:

The tenderer's annual accounts including notes with the Board's and the auditor's reports from the last 2 years.

If the Annual Financial Statements for the last year are not finished before the tender deadline for this contest expires, the last year's preliminary annual accounts should also be attached.

The contracting authority reserves the right to carry out a credit assessment from the credit rating company Experian.

Financial strength is evaluated in relation to turnover, operating profit margin, solidity and liquidity.

The above mentioned information shall also be provided for any parent company.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Requirement:

The tenderer must have relevant experience from rehabilitation of buildings.

Documentation:

Description of the company's most important relevant deliveries in the last 5 years. The attached template must be used (Annex 5). The reference description must include sufficient information to assess the relevance for this assignment.

The contracting authority shall be able to contact the reference person.

If significant parts of the delivery will be carried out by sub suppliers, an equivalent overview of relevant references shall be enclosed for the sub suppliers in question.

Requirement:

The tenderer must have a documented HSE system.

Documentation:

Tenderers must submit a table of contents for their HSE system, and this and any detailed description, must confirm compliance with the requirements in the Internal Control Regulations.

III.1.4. Objective rules and criteria for participation

List and brief description of rules and criteria:

The selection criteria stated in the tender documentation.

III.1.6. Deposits and guarantees required

See the tender documentation.

III.2. Conditions related to the contract

III.2.2. Contract performance conditions

See the tender documentation.
