Community benefits are included in this requirement. For more information see: <http://www.publiccontractsscotland.gov.uk/info/InfoCentre.aspx?ID=2361>

A summary of the expected community benefits has been provided as follows:

Included in this tender is the ability for Contractors to extend the offer of discounts to registered charitable groups and not for profit organisations. You should indicate any

community benefits that can be provided by your business in relation to this contract that can assist the Comhairle in achieving its aims and objectives set out in the Policy below.

The Comhairle's policy

The Comhairle has a sustainable development and regeneration strategy ('Creating Communities of the Future'), a local development plan and a housing strategy, implementation of which is provided for in the Single Outcome Agreement (SOA). The use of Community Benefits will assist the Comhairle in fulfilling its duties under the SOA. This will be achieved by using in its procurement and development contracts specifications which include, where appropriate, broad regeneration activities which enable the use of both mainstream and additional funding to achieve objectives such as the enhancement of the local skills base, opportunities and amenities within a broad value-for-money framework. To that end the Comhairle may require particular conditions concerning performance of the contract, provided that those conditions are compatible with European Community law and provided that they are stated in the contract notice or in the contract documents. Contract performance conditions may relate in particular to social and environmental considerations relating to the subject matter of the contract.

VI.4.3. Review procedure

Precise information on deadline(s) for review procedures:

This authority will incorporate a minimum of 10 calendar days standstill period at the point where the intention to award the contract is communicated to tenderers. This period allows unsuccessful tenderers to seek further debriefing from the contracting authority before the contract is entered into. If an appeal regarding the award of contract has not been successfully resolved the Public Contracts (Scotland) Regulations 2015 provide for aggrieved parties who have been harmed or are at risk of harm by a breach of the rule to take action in the Sheriff Court or Court of Session. Any such action must be brought promptly (generally within three months). Where a contract has not been entered into the Court may order the setting aside of the award decision or order the authority to amend any document and may award damages. If the contract has been entered into the Court may only award damages.
