Supplies

**II.1.4. Short description**

Oslo University Hospital Trust invites tenderers to a competition for the procurement of 2 blood type machines for the Immunology and Transfusion Medicine Department (IMM) at Ullevål Hospital Trust.

OUS is a national and regional trauma centre, and it is therefore important that the Immunology and Transfusion Medicine Department can deliver quick and correct test results. In addition, the department is a national competence centre for blood typology and performs investigations for blood banks in the rest of the country.
