Tenders or requests to participate must be submitted electronically via: <https://permalink.mercell.com/203907964.aspx>

I.4. Type of the contracting authority

Other type: Waste Management Company

I.5. Main activity

Other activity: Collection and reception of household waste, and reception of commercial waste

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

Consultancy services within project management for the establishment of a rough sorting facility.

Reference number: 2023/101

II.1.2. Main CPV code

72224000 Project management consultancy services

II.1.3. Type of contract

Services

II.1.4. Short description

The contracting authority would like to establish a contract with a tenderer that will cover the need for consultancy services in the form of project management for an assignment for the establishment of a rough sorting facility for post sorting of 100,000 tonnes residual waste. The project manager will assist the contracting authority with a technical decision basis for the establishment of a rough sorting facility, as well as assist with a contract procurement for the establishment of a sorting facility, see annex 1 for further details on the services.

II.1.5. Estimated total value

Value excluding VAT: 3 000 000,00 NOK

II.1.6. Information about lots

This contract is divided into lots: no

II.2. Description

II.2.2. Additional CPV code(s)

71310000 Consultative engineering and construction services, 71800000 Consulting services for water-supply and waste consultancy, 90510000 Refuse disposal and treatment

II.2.3. Place of performance

NUTS code: NO020 Innlandet

NUTS code: NO02 Innlandet

Main site or place of performance: Innlandet.

II.2.4. Description of the procurement

A contract will be signed for 6 months, with a unilateral option for the contracting authority to extend the contract for a further 6 months.

The value of the contract is estimated to be between NOK 2.5 million and NOK 3 million.

II.2.5. Award criteria

Criteria below

Quality criterion - Name: Quality / Weighting: 60%

Price - Weighting: 40%

II.2.6. Estimated value

Value excluding VAT: 3 000 000,00 NOK

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 6

This contract is subject to renewal: yes

Description of renewals:

Option for an extension equivalent to 6 months.

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: yes

Description of options:

Option for an extension equivalent to 6 months.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

An overview and a brief description of the terms: Registration in a company register/company registration certificate.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Tenderers must have sufficient economic and financial capacity to carry out the assignment.

Minimum level(s) of standards possibly required:

Credit rating based on the most recent accounting figures.

The rating must be carried out by a credit rating agency with a licence to provide such service.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

- The assignment requires that tenderers have experience from comparable assignments - reference projects.

- Tenderers must have a functioning quality system that fulfils the requirements in accordance with ISO 9001, or equivalent.

Minimum level(s) of standards possibly required:

- An overview of 3-5 of the tenderer's most important assignments with comparable value in the last three years. To ensure sufficient competition, projects carried out prior to the last 5 years may also be considered.

The overview must, as a minimum, include the following information:

Contracting authority, with contact information for a reference person (name, telephone number, and e-mail)

The project's name and a short description of the project.

A description of the project's relevance to this contest.

The contracting authority's assignment/role in the project.

The contract value of the assignment excluding VAT.

Start-up date and completion date (year) / if not completed - current stage of the project.

Other relevant information for this contract.

It is the tenderer's responsibility to document the relevance in its description.

The contracting authority refers to annex 5 - Reference Project, which can be used for the overview.

- Documentation of the company's quality system. If the company is certified, documentation thereof must be attached. If the company is not certified, the quality assurance system must be described.

III.2. Conditions related to the contract

III.2.2. Contract performance conditions

The selected tenderer must present a tax certificate for VAT and a tax certificate upon request, cf. PPR § 7-2. This only applies if the chosen tenderer is Norwegian.

The tax certificate must not be older than six months old at the deadline for submitting a request for participation in the competition or tender.

Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Open procedure

IV.1.3. Information about a framework agreement or a dynamic purchasing system
