5.1.15. Techniques

Framework agreement:

Framework agreement, partly without reopening and partly with reopening of competition

Maximum number of participants: 2

Justification for the duration of the framework agreement: The framework agreement will be announced for 5 years due to a need for security clearance and an expected long initial clearance period at the National Security Authority for employees and companies that are not security cleared. The users of the agreement need security and stability in a rational contract and it involves security cleared personnel who can carry out the work in a real four year period. The choice of duration is pursuant in the Public Procurement Regulations § 26-1 (4).

Information about the dynamic purchasing system:

No dynamic purchase system

5.1.16. Further information, mediation and review

Review organisation: Oslo Tingrett

Information about review deadlines: The Public Procurement Regulations §25-2 (1) the Contracting Authority can enter into a contract after a waiting period has expired at the earliest, that has been determined by the Contracting Authority. The waiting period shall be at least 10 days calculated from the day after the notification on the chosen tenderer has been sent. If the contracting authority has made an exception from the requirement for using electronic communication, the waiting period shall be at least 15 days.
