## **Section III: Legal, economic, financial and technical information**

---

### **III.1. Conditions for participation**

#### **III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers**

List and brief description of conditions:

Requirement:

- The tenderer must be a legally established company.

Documentation requirement:

- Norwegian companies: company Registration Certificate
- Foreign tenderers: A verification showing that the tenderer is registered in a trade index or business register as prescribed by the law of the country where the tenderer is established.

#### **III.1.2. Economic and financial standing**

List and brief description of selection criteria:

Requirement:

Tenderers must have the financial capacity to carry out the assignment/contract.

Minimum level(s) of standards possibly required:

Documentation requirement:

- The company's last Annual Financial Statements including notes, the Board's Annual Report and Audit Report, as well as recent information of relevance to the company's fiscal numbers.
- The contracting authority retains the right to obtain a credit rating from Bisnode Credit, which will be used as a basis in the evaluation.

#### **III.1.3. Technical and professional ability**

List and brief description of selection criteria:

Requirement:

- experience from equivalent assignments is required;
- food implementation ability is required;
- a good and well-functioning quality and environmental management system is required.

Minimum level(s) of standards possibly required:

Documentation requirement:

- An overview of the most important assignments that the tenderer has carried out in the last three years, together with information on the contract value, date of delivery and the name of the recipient.
- A description of the tenderer's average annual workforce and the number of employees in the management during the last 3 years.
- Description of environmental management measures and quality assurance measures. Tenderers can document that the requirement is fulfilled by presenting a copy of relevant environment certificates/environmental standards, such as ISO 14001, ISO 9001, EMAS, Miljøfyrtårn, or equivalent, or by the tenderer attaching a description of the company's own system and routines.
