Section II: Object of the contract

II.1. Description

II.1.1. Title

Building contractor services, framework agreement.

II.1.2. Type of contract and place of performance or delivery

Services

Service category No 1: Maintenance and repair services

Main site or place of performance: Skedsmo, Norway.

NUTS code NO012 Akershus

II.1.3. Information about a framework agreement or a dynamic purchasing system (DPS)

The procurement involves the establishment of a framework agreement

II.1.4. Short description of the contract or purchase(s)

The scope and purpose of the procurement.

The tender contest involves a framework agreement for the delivery contractor services. The chosen contractor shall be able to provide the following professions with his own or external human resources (not exhaustive):

- Builder/carpenter/joiner;
- Masonry/sheathing/tiling;
- Painting/wallpapering/floor laying;
- Flashing and guttering;
- Roofer;
- Passive fire protection.

The contracting authority also has framework agreements for other disciplines. If relevant other framework agreement contractors can be transported to an assignment (electrician, plumber, ventilation, etc.). The annual estimated value of the procurement is between 10 000 000 NOK and 14 000 000 NOK, excluding VAT. The volume is very difficult to estimate as we do not know what projects there will be in the coming 4 years. The value must therefore be considered an estimate and is not binding. The volume can vary a lot from year to year.

The Contracting Authority intends to enter into a parallel agreements with three contractors, provided that sufficient suitable tenders are received.

See part 2a, requirement specifications, for further information.
