IV.1.3. Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

Framework agreement with a single operator

In the case of framework agreements, provide justification for any duration exceeding 4 years:

Helfo would like to harmonise and amalgamate the contract portfolio for the delivery of coffee and water vending machines, with accompanying consumables. A shorter contract period would mean that some call-offs would be for a short duration. This would presumably mean that the market prices would be worse than they otherwise would have been, as all of the equipment is leased.
