#### **II.1.4. Short description**

Bergen Vann KF operates the municipal water and sewage facilities in Bergen and Bjørnarfjorden Municipalities. The organisation must ensure good and satisfactory water supply and good and environmentally correct sewage treatment. The business has approx. 157 man-labour years and turnover for approx. NOK 330 000 000 per annum.

Bergen Vann KF is a municipal company in Bergen Municipality. Bergen Vann KF is currently localised in Spelhaugen 22 and at numerous water treatment and sewage treatment facilities. The Contracting Authority reserves the right to carry out supplier audits.

ØyVAR AS is the leading food industry and environmental company in Øygarden municipality. ØyVAR supplies drinking water, takes care of the waste water, empties private sludge separators and operates the water and sewage plants for Øygarden Municipality. In addition, the company collects waste and facilitates the reuse of this. The entire activity is financed through water, sewage and sanitation fees.

The procurement concerns purchase of precipitants.
