It is anticipated that all tenderers that submit a compliant response meeting the minimum quality award standard will be appointed to the Agreement; there is no upper limit of the number of tenderers to be appointed.

Ordering of Services — The three nearest appropriate appointed tenderers bases (more if there is no initial response) to a journey pick up and/or destination address(s) will be contacted by telephone to supply journey quotes based upon the particular details of that journey. When the most cost effective way is determined the successful Tenderer will then be required to enter in to a Transport Order Form.
