Explanation:

The UK Ministry of Defence ('MOD') acting through her Majesty's Naval base Clyde intends to place a contract with Clydeport Operations Ltd for the provision of conservancy services on the River Clyde and approaches to HMNB Clyde Dockyard Port area. The services include maintenance of water depth, marking of channels and/or obstructions, seabed and/or marine surveys, response to marine incidents and overall provision of safe passage for sea to berth at HMNB Clyde and vice versa. It is considered that this contract can be placed using the negotiated procedure without prior publication of a contract notice pursuant to Articles 32(2)(b) of Directive 2014/24/EU (Regulation 32(2)(b) of the UK Public Contracts Regulations 2015) as competition is absent for technical reasons and for reasons connected with the protection of
