Direct award

:

Justification for direct award: No suitable tenders, requests to participate, or applications were received in response to a previous notice

Other justification: Previous cancelled restricted procedure EC-HR/2024/RP/0145 on the same matter was divided in 3 lots: • LOT 1 Maintenance of speedgates (motorised folding gates) for vehicles and bicycles in Belgium under an annual all-in guarantee • LOT 2 Maintenance of high-security bollards and road blockers in Belgium under an annual all-in guarantee. • LOT 3 Maintenance of high-security Rising Vehicle Barriers (RVB) in Belgium under an annual all-in guarantee. Based on DG BUDG's assessment, the authorising officer decided: Not to award lots 1 and 2 as no requests to participate have been received. To cancel Lot 3 as no admissible requests to participate have been received (only one not having access to EU market candidate). For this lot, a negotiated procedure without prior publication of a contract notice following article 11.1. a) of Annex I to the FR is therefore possible
