2.1. Procedure

Title: Tradesman services painting and covering the University Hospital North Norway HF Tromsø.

Description: The service agreement is intended to cover continuous needs within operation and maintenance during the health company's annual plan in the contract period. There can be planned needs and unplanned needs that occur. In addition, some of the framework will be minor projects that the health company is not obliged to announce separately on the basis that the health trust has a character and extent that is seen as covered by the contract and which is taken into account in the maximum value. If there is a need for smaller projects, the Customer will obtain a total price for execution, possibly clarifying whether the hourly rates shall apply for the specific project.
