II.1. Scope of the procurement**II.1.1. Title**

NO-23--03 Telephony Services

II.1.2. Main CPV code

64210000 Telephone and data transmission services

II.1.3. Type of contract

Services

II.1.4. Short description

The FARTT municipalities intend to enter into a contract for the procurement telephony services.

The objective of the procurement is to cover the contracting authority's ongoing need for telephony services with associated services/functionalities stated in the requirement specification and price form. It is essential for the contracting authority that telephony services are available in the areas where the contracting authority's employees are staying at any given time. The contractual objective is that the service shall contribute to an efficient and rational management of the contracting authority's need for telephony services.

The tenderer must use his expertise and competence to contribute to fulfilling the objective of the contract.
