Works

Execution

Main site or place of performance: Fetsund, Norway.

NUTS code NO012 Akershus

II.1.3. Information about a framework agreement or a dynamic purchasing system (DPS)**II.1.4. Short description of the contract or purchase(s)**

In connection with establishment of a new sewage treatment plant where laying of a total of 33 kms transmission line to the new sewage treatment plant shall be executed.

This assignment includes excavation and drilling, as well as laying of Ø315mm PE100 SDR 11 sewage pump line for lot from existing pumping station PA1/new PA131 located at Øya in Fet

to the Glomma River's west side, from the Glomma River's east side and up to existing PA7 /new PA130 at Kirkeveien/Hvalsenga, total section length of the line is approx. 1 075 metres. The last section of this shall be a self fall pipeline Ø400 PE 100. A new SP pipeline shall also be established Ø110 PE100 SDR 11 from the existing PA13 at Øya up to PA1 at Øya, length 465 metres. Furthermore, laying of a new SP force main Ø450 PE100 SDR 11 and overflow pipe Ø450 PE100 out in the Glomma River from existing PA7, length approx. 150 metres for each of them. Some diving must be expected in connection with the laying of these pipes. A total of 5 outlet basins shall be established.

Laying of Ø355 PE100 SDR11 water pipe shall also be executed, from J E Ekonesvei at Øya in Fet and to the Kirkeveien at Østersund School for Fet municipality. Most of this shall be along the section for Ø315 force main. Length of the water pipe included in this contract is 1 000 metres. There shall be constructed 4 new water ponds as well as connection to a new pipe in the existing water ponds at both sides of the Glomma River.

This includes laying of conduits for fibre cable in the lot as an option in the tender.

Below the Glomma River, drilling for a new force main and a new water pipe shall be executed. This is included in a different contract during autumn 2014. Construction of the pumping stations are also subject to a separate engineering design, procurement and construction contract during summer 2014.

II.1.5. CPV code(s)

45231300 Construction work for water and sewage pipelines, 45000000 Construction work, 45231110 Pipelaying construction work

II.1.6. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: yes

II.2. Total value of the contract/lot

II.2.1. Total value of the contract/lot

Section IV: Procedure

IV.1. Type of procedure

IV.1.1. Type of procedure

Open

IV.2. Award criteria

IV.2.1. Award criteria

Lowest price

IV.2.2. Information about electronic auction

IV.3. Administrative information

IV.3.1. File reference number attributed by the contracting authority

21008

IV.3.2. Previous publication concerning this procedure

Contract notice

Notice number in the OJ S: [2014/S 120-214386](#) of 26.6.2014

Section V: Award of contract

Contract No: 1

Lot No: 1

- Lot title: Fat land pipeline

V.1. Date of conclusion of the contract

4.9.2014

V.2. Information about tenders

Number of tenders received: 1

V.3. Name and address of the contractor

Official name: Park & Anlegg AS

National registration number: NO 982 382 955

Postal address: Hasle Trafo 35

Town: Hafslundsøy

Postal code: 1734

Country: Norway

E-mail: post@park-anlegg.no

Telephone: +47 69130390

V.4. Information on value of the contract/lot

Initial estimated total value of the contract/lot:

Value: 19 100 000 NOK

excluding VAT

V.5. Information about subcontracting

The contract is likely to be subcontracted: no

Section VI: Complementary information

VI.1. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

VI.2. Additional information

VI.3. Procedures for review

VI.3.1. Review body

VI.3.2. Review procedure

Precise information on deadline(s) for review procedures: Tenderers will be given an appeals deadline at 13:00, calculated 10 days from the date the note is sent electronically.

VI.3.3. Service from which information about the review procedure may be obtained

VI.4. Date of dispatch of this notice

9.9.2014
