Supplies

II.1.4. Short description

The University of Chichester is establishing a significant and bespoke Science Technology and Engineering Management (STEM) facility including an new purpose built building. The STEM building is commonly referred to as the Tech-Park and will open in September 2018. This tender seeks to engage suitable suppliers for the initial and ongoing provisioning of specialised equipment for engineering for this new building and for the wider University. This procurement aims to add to the University's existing routes to market and ensure expert, credible suppliers for all of the various assets needed to meet the University's educational and commercial objectives. The initial requirement have been broadly broken down into 75 Lots, arranged around the following broad categories;

- Electrical Engineering.
- Educational Equipment.
- Engineering Equipment.
- Fabrication Equipment.
- Mechanical and Testing.
- Materials and Testing.
- Engineering Machinery.
