#### 2.1. Procedure

Title: Printed teaching aids

Description: The contract is estimated to be above the threshold. Narvik municipality intends to enter into a framework agreement for printed teaching aids. The objective of the agreement is to cover the contracting authority's need for printed teaching aids, books and audio books in physical format. Tenderers shall be able to deliver a multitude of printed teaching aids from several recognised publishers/manufacturers for all stages and subjects in primary and secondary schools. The agreement shall i.a. cover the following: School books/textbooks for primary and secondary schools, including disposable books, work books, teacher guides and copy originals for these books, as well as printed additional resources for textbooks. Other literature and material, including subject books for the professional market, non-fiction, fiction, cheap books, works, commission books, laws, research reports, calendars etc., as well as audio books and digital versions of textbooks. The estimated annual delivery is approx. exclusive VAT. The maximum value of the contract is NOK 3 million excluding VAT. The framework agreement will be valid for 2 years, with a unilateral option for the contracting authority to extend the contract for 1+1 year on verbatim terms. Digital teaching aids are not included in this framework agreement.
