Description of selection criterion: Tenderers shall have their tax and duty payments in order (tax, VAT etc.). Documentation requirements: Tax certificate issued by the tax authorities (maximum 6 months old). Foreign tenderers shall submit equivalent certificates from their home country.

Criterion: Enrolment in a relevant professional register

Description of selection criterion: Tenderers shall be a legally established company registered in a company register, trade register or trade register in their country of establishment.

Documentation requirements: Company Registration Certificate from the Brønnøysund Register Centre or other valid register statement confirming that the tenderer is registered and legally established. Foreign tenderers submit equivalent certificates from their jurisdiction.

Criterion: Certificates by independent bodies about environmental management systems or standards

Description of selection criterion: The tenderer (and any sub-suppliers) who shall carry out work in Norway must meet HSE requirements. Tenderers shall confirm that systematic measures have been implemented to comply with health, safety and environment legislation.

Documentation requirements: Completed HSE self-declaration in accordance with public requirements (standard HSE form, cf. the public procurement regulations annex 2). This form shall be signed by the tenderer's top management and it shall be submitted together with the tender.

Criterion: Other economic or financial requirements

Description of selection criterion: Tenderers must have sufficient economic and financial capacity to fulfil the contract. The minimum requirement is credit worthiness without requirement for provision of security. Documentation requirements: Credit rating from a certified credit rating agency (based on the most recent annual fiscal figures), not older than 3 months.

Criterion: Measures for ensuring quality

Description of selection criterion: Tenderers shall have a good and well-functioning quality assurance system suitable for the delivery. This involves routines for ensuring quality and compliance with relevant laws and regulations in the implementation of the contract.

Documentation requirements: An account of the quality assurance system and routines, up to two pages. Alternatively: A copy of a valid ISO 9001 certificate or equivalent certification will normally be accepted as documentation.

Criterion: Environmental management measures

Description of selection criterion: The tenderer is required to have an environmental management system to ensure environmental consideration in the delivery. Documentation requirements: Certificate that proves a valid environmental management system (f.eks. ISO a 14001 certificate, EMAS registration or Environmental Lighthouse certificate). Alternatively, tenderers can provide a description of their internal environmental management system with an account and policy if formal certification is not available.

Criterion: References on specified services

Description of selection criterion: Tenderers shall have relevant experience from assignments or deliveries of an equivalent nature and extent to the assignment in question. 'equivalent' means assignments of the same type, complexity and size, which ensures that the tenderer has the necessary experience. Documentation requirements: Reference list of the 3 most important relevant assignments carried out in the last 5 years. The list shall include a description of the assignments, contract value, date/year, as well as the name of the contracting authority/customer for each reference. The contracting authority can contact the references for verification.
