II.2.4. Description of the procurement

The framework agreement concerns annual inspection (safety and condition assessment) and maintenance of fasteners for fixed equipment indoors in gyms, sports facilities, swimming pools and cultural centres. The purpose is to safeguard requirements concerning systematic internal inspections (cf. The Internal Control Regulations) when using fixed sports equipment, lifting and sliding walls, and requirements for expert control of work equipment (studio and stage rigs) and water slides, cf. regulations on the execution of work (chapter 13), in order to ensure the safety of users of the equipment/buildings.

The tenderer must also carry out ordinary inspections of sports equipment and other fixed equipment outside in municipal play areas, schools, and nurseries, as well as climbing walls. Maintenance means replacement of worn out parts, improvement and repair of errors and lack of fasteners.

See annex 1 'The Contracting Authority's Specifications' for further details on the need and requirements, as well as annex 4a 'Price Sheet' for an overview of the sites.
