Body governed by public law

I.5. Main activity

General public services

Section II: Object

II.1. Scope of the procurement

II.1.1. Title

Contract for the Delivery of a Communication System with Associated Services for Customs

Reference number: 20/03744

II.1.2. Main CPV code

72720000 Wide area network services

II.1.3. Type of contract

Services

II.1.4. Short description

Customs, c/o the Directorate of Norwegian Customs, invites tenderers to a restricted tender contest for the procurement of a communication system (remote network WAN), dark fibre and Internet) with associated services for all of customs.

The aim is to enter into a contract with one total supplier.

The contract will cover Customs' need for a remote network between customs' locations and with collaboration partners. This also includes unmanned sensor locations, mobile units and internet connections. In addition to the actual remote network, dark fibre must also be delivered on some stretches. The remote network must be provided as a service that includes operation and maintenance.

II.1.6. Information about lots

This contract is divided into lots: no

II.1.7. Total value of the procurement

Value excluding VAT: 22 000 000,00 NOK

II.2. Description

II.2.2. Additional CPV code(s)

32412110 Internet network, 32420000 Network equipment, 32430000 Wide area network, 50312300 Maintenance and repair of data network equipment, 72400000 Internet services

II.2.3. Place of performance

NUTS code: SE Sverige

NUTS code: FI Suomi / Finland

NUTS code: NO Norge

Main site or place of performance: NORWAY.

II.2.4. Description of the procurement

Customs, c/o the Directorate of Norwegian Customs, invites tenderers to a restricted tender contest for the procurement of a communication system (remote network WAN), dark fibre and Internet) with associated services for all of customs.

The aim is to enter into a contract with one total supplier.

The contract must cover customs' need for a remote network between customs' locations and with collaboration partners, including some locations in Sweden and Finland. This also includes unmanned sensor locations, mobile units and internet connections. In addition to the actual remote network, dark fibre must also be delivered on some stretches. The remote network must be provided as a service that includes operation and maintenance.

II.2.5. Award criteria

Quality criterion - Name: Quality and ability / Weighting: 70

Cost criterion - Name: Price / Weighting: 30

II.2.11. Information about options

Options: yes

Description of options:

The contract can be extended for up to 5 years.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

See the attached tender documentation for further information.

Attention is drawn to the fact that a detailed overview of customs' locations will only be sent to the tenderers who are invited to submit a tender, and who have signed a confidentiality declaration. The information provided in the tender documentation is deemed to be adequate for an assessment of whether you can participate in the contest.
