II.1.2. Type of contract and place of performance or delivery

Supplies

Purchase

Main site or place of performance: Bioforsk Department Soil and Environment, 1432 Ås, Norway.

NUTS code NO012 Akershus

II.1.3. Information about a framework agreement or a dynamic purchasing system (DPS)

II.1.4. Short description of the contract or purchase(s)

Bioforsk is a research institute with expertise at a high international level within agriculture, food production, plant health, environment and resource management.

The Technical Measuring Group at Bioforsk's Soil and Environment Department at Ås has a need for loggers for R&D projects and monitoring projects. Sensors can be used for registering the water height and multi-parameter sensors for water quality.

Bioforsk would like to enter into a framework agreement with a supplier who can deliver all the equipment specified in the attached specifications.

All tenders and enquiries about the competition are to go via Mercell. If you are not a user of Mercell, or if you have questions about how you shall upload your tender, digital signing or how you shall submit a tender, please contact Mercell support on tel 21 01 88 60.

Bioforsk, the Norwegian Institute for Agricultural and Environmental Research, henceforth referred to as the Awarding Authority shall comply with the Freedom of Information Act such as the Public Administration Act. If suppliers request information kept from public access, information of thereof shall be given in the tender with description of which information is requested kept from public access.
