Services

Directive 2004/17/EC

Section I: Contracting entity

I.1. Name and addresses

Official name: Chevron Polska Energy Resources Sp Z O. O.

Postal address: c/o Chevron North Sea, Hill Of Rubislaw

Town: Aberdeen

Postal code: AB15 6XL

Country: United Kingdom

Contact person: Octavian Sprinceana

E-mail: osprinceana@chevron.com

Internet address(es):

General address of the contracting entity: <http://www.chevron.com>

Additional information can be obtained from:

the abovementioned address

Specifications and additional documents (including documents for a dynamic purchasing system) can be obtained from: the abovementioned address

Tenders or requests to participate must be submitted: the abovementioned address

I.2. Main activity

Extraction of gas and oil

I.3. Contract award on behalf of other contracting entities

The contracting entity is purchasing on behalf of other contracting entities: no

Section II: Object of the contract

II.1. Description

II.1.1. Title attributed to the contract by the contracting entity

Framework Agreement for the provision of Engineering, Design and Consulting services in the oil and gas industry for Poland.

II.1.2. Type of contract and place of performance or delivery

Services

Service category No 12: Architectural services; engineering services and integrated engineering services; urban planning and landscape engineering services; related scientific and technical consulting services; technical testing and analysis services

Main site or place of performance: Poland.

NUTS code PL Polska

II.1.3. Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

II.1.4. Information about framework agreement

Framework agreement with a single operator

Duration of the framework agreement

Duration in years: 3

II.1.5. Short description of the contract or purchase(s)

The contract is a non exclusive Framework Agreement with Economic Operator(s) for the provision of Engineering, Design and Consulting services in the oil and gas industry to support Chevron Polska Energy Resources SP. Z O. O. (hereinafter referred to as "Company") for land based exploration and production activities in Europe.

Company's preferred outcome would be to award framework agreement(s) to Economic Operator(s) who are capable of delivering the required services.

Call-offs against the Framework Agreement will be issued to the Economic Operator(s) offering the most economically advantageous offer.

Only when the terms laid down in the framework agreement are not complete enough for a particular call-off, will company hold a mini competition with all the providers awarded a framework agreement and capable of meeting the particular need against the terms and conditions of the framework agreement.
