Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Tenderers must be registered in a company register, professional register or a trade register in the state where the tenderer is established.

Documentation requirement:

Norwegian companies: Company registration certificate

Foreign companies: Verification showing that the tenderer is registered in a company register, professional register or a commerce register in the country where the tenderer is established.

Wages and working conditions

Compliance is required with the rules and requirements that apply in Norway if foreign workers are hired, or sub-contractors are engaged.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

The tenderer must have sufficient economic and financial capacity to be able to fulfil the contract. Creditworthiness with no requirement for guarantees will be sufficient to meet the requirement.

Credit rating based on the most recent accounting figures. The rating must be carried out by a credit rating agency with a licence to conduct this business.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Tenderers must have experience from comparable assignments.

Documentation requirement:

Description of up to three of the tenderer's most relevant assignments during the last 3 years.

The list must include a statement of the assignment value, dates and recipients (name, telephone number and e-mail address). It is the tenderer's responsibility to document relevance through the description.

Tenderers can document experience by referring to the competence of the personnel at disposal for this assignment, including experience that has been acquired while the personnel performed services for another service provider.

A good and well-functioning quality assurance system is required for the services that will be provided.

Documentation requirement:

Statement of the tenderer's quality assurance system/quality management system.

III.2. Conditions related to the contract

III.2.3. Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract

Section IV: Procedure
