NORMANDIE

6. Results

Maximum value of the framework agreements in this notice: 507 000,00 EUR

Direct award

:

Justification for direct award: The contract can be provided only by a particular economic operator because of an absence of competition for technical reasons

Other justification: Le recours à l'article R2122-3 2° du CCP est motivé par le fait qu'il s'agit d'un produit original, distribué de manière exclusive par la Société ABBOTT MEDICAL FRANCE répondant à un besoin technique et clinique spécifique : La technologie d'électroporation pulsée constitue une technique d'ablation non thermique reposant sur une action ciblée sur les cellules myocardiques, seule solution d'électroporation actuellement commercialisée, utilisable sans recours à l'anesthésie générale permettant : une mobilisation moindre des ressources d'anesthésie, une optimisation du temps d'occupation des salles interventionnelles, NOTI4 – Rapport de présentation PHARMA2026029 Page : 4 / 8 une amélioration du flux des patients, dictée par le contexte actuel spécifique de pénurie d'anesthésistes (30 interventions décalées /annulées en novembre/décembre sur le CHU suite à des vacances d'anesthésie annulées).

6.1. Result lot identifier: LOT-0001
