Further Award Criteria will include, but not be limited to:

There will be an ITT Question Set that must be completed. Should the Commodity Supplier not meet the criteria detailed in the ITT Question Set, their tender shall be deemed Non-Compliant. The response to each question will be scored against a confidence level based entirely on the Potential Provider's response and the supporting evidence provided. A weighting will be attributed to each question according to its importance and criticality in providing confidence in regards to the Potential Provider's capability in these areas. Commodity Supplier's that achieve an overall confidence score of 64 % or above, shall be deemed as compliant. Leidos Supply Ltd uses an eSourcing application based on the class leading IBM Emptoris platform as the way of working with our Commodity Supplier's. Commodity Supplier's must register on the Leidos.

Supply Ltd Portal (<http://www.leidos-supply.uk/>) in order to request participation in any of our tender opportunities. All tender submissions for tenders raised within the Leidos Supply Ltd eSourcing solution must be made via the application, including all communications during the tender process which must be carried out through the application's 'messaging centre' Potential Provider's to note that the Government has introduced, as from 2.4.2014, its new Government Security Classifications Policy (GSC) to replace the previous Government Protective Marking Scheme. A key aspect of this is the reduction in the number of security classifications used. All Commodity Supplier to Leidos Supply Ltd are encouraged to make themselves aware of the changes, the link below to the Gov.uk web site provides information on the new GSC.

<https://www.gov.uk/government/publications/government-security-classifications> Leidos Supply Ltd reserves the right to amend any condition related to security of information to reflect any changes in national law or government policy. If any contract documents are accompanied by instructions on safeguarding classified information (e.g. a Security Aspects Letter), Leidos Supply Ltd reserves the right to amend the terms of these instructions to reflect any changes in national law or government policy, whether in respect of the applicable protective marking scheme, specific protective markings given, the aspects to which any protective marking applies, or otherwise.
