Section II: Object

II.1. Scope of the procurement

II.1.1. Title

Channel Press for Cardboard and Plastic
Reference number: 20121

II.1.2. Main CPV code

42636000 Presses

II.1.3. Type of contract

Supplies

II.1.4. Short description

The contest is for the delivery and assembly of a complete channel press of 60-80 tonnes for cardboard, plastic and other waste, including a conveyor belt assembled 'in-line' at the contracting authority's stated address. The new channel press must be commissioned and necessary training must be given and included in the tender price. Renovest IKS is responsible for sufficient electricity capacity in the pressing hall. Prices must also be given for a maintenance contract for the machine.

Renovest IKS currently has an older ABBA channel press that is used for pressing cardboard and plastic. We would like to part exchange the old press with the new channel press, and would also like to have the option to press other waste, such as residual waste.

The contract's value is estimated to be above the EEA threshold. The amount is an estimate and is not binding for the contracting authority.

Refer to the procurement documents for further information.
