Precise information on deadline(s) for review procedures: The contracting authority will incorporate a minimum of 10 day standstill period from the day after information on the award of contract is communicated to tenderers. This period allows the unsuccessful tenderers to challenge or seek further debriefing from the contracting authority before the contract is entered into. If an appeal regarding the award of a contract has not been successfully resolved, the Public Contracts Regulations (2006 No 5) provide for aggrieved parties who have been harmed or are at risk of harm by a breach of the rules to take action in the High Court (England, Wales and Northern Ireland). Any such action must be brought promptly (generally within 3 months).

VI.3.3. Service from which information about the review procedure may be obtained

VI.4. Date of dispatch of this notice

16.9.2014
