**II.1.4. Short description of the contract or purchase(s)**

Bioforsk is a research institute with expertise at a high international level within agriculture, food production, plant health, the environment and resource management.

The farming at Bioforsk Vest Særheim consists of approx. 400 decares cultivated ground with the research and production of a diversity of cultures within earth and garden use. The shelter belts at Bioforsk Vest Særheim are important for experimental activities and new shelter belts shall now be established with completion by 2016. See the attached specifications for further details.

All tenders and all enquiries about the competition are to be submitted via Merccell. If you are

not a user of Mercell, or if you have questions about how you shall upload your tender, or how you shall submit a tender, please contact Mercell support on 21 01 88 60.

We recommend that tenders are submitted in good time before the deadline expires. If there is additional information from the awarding authority and you would like to change your tender before the deadline expires, you can go in and open the tender, make any changes and submit it again right up until the deadline expires. The last submitted tender will be seen as the final tender. Late tenders will be rejected.

Bioforsk is obligated to follow both the Open Files Act and the Public Administration Act. If suppliers would like information to be exempt from publicity, information on this is to be given in the tender letter as well as which information is to be exempted.
