2.1. Procedure

Title: Establishment of a Dynamic Purchasing System for the Supply of Electrical Equipment for Teaching Purposes to Technological University Dublin

Description: Technological University Dublin (TU Dublin) intends to establish a Dynamic Purchasing System (DPS) for the supply of electrical equipment for teaching purposes. The DPS will operate in accordance with the provisions of Directive 2014/24/EU and the European Union (Award of Public Authority Contracts) Regulations 2016. The DPS will be divided into four (4) lots. Economic operators may apply to participate in respect of one or more lots.

Details of each lot, including the categories of electrical equipment to be supplied, are set out below. It is noted that economic operators are not required to offer the full range of goods within a lot; partial applications will be accepted, provided that the minimum requirements for participation are met. The DPS will remain open for its duration to any economic operator that satisfies the selection criteria and submits a compliant request to participate in accordance with the procurement documents.
