II.1.4. Short description

The scope of the framework agreement includes an initial engagement to redesign and redevelop the HPRA website.

The overall objective of modernising the website is to provide a richer, tailored experience and information source for a range of stakeholders. It is envisaged that the redesigned website will

enable easy and speedy access to information and services for all users from any mode of device. It is anticipated that this will improve the quality, timeliness, and effectiveness of digital interaction with stakeholders and reduce the process complexity for the organisation. Ultimately the redeveloped website will serve as a focal point for digital interaction with HPRA, hosting an online portal for accessing information and the organisation's services.
