Section VI: Complementary information

VI.1. Information about recurrence

This is a recurrent procurement: no

VI.2. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds: no

VI.3. Additional information

The cost of responding to the pre-qualification package (PQQP) and any subsequent tender information and/or participation exercise in the procurement process generally will be borne solely by the economic operator participating. A Memorandum of Information and pre-qualification questionnaire package (PQQP) is available in respect of the project referred to in Section I above. Economic operators should note that the Contracting Authority reserves the right to cancel this procurement process at any stage. Any expenditure, work or effort undertaken prior to the contract award is at the sole risk of the economic operator participating in this procurement process. All discussions and correspondence will be deemed strictly 'subject to contract' until a formal contract is entered into. The formal contract shall not be binding until it has been signed and dated by the duly authorised representatives of the parties. Any date given in Section IV above is a best estimate at the time of dispatch. The Contracting Authority reserves the right to extend any such date. Neither the publication of this Notice nor the employment of any particular terminology or any other indication shall be taken to mean that the Contracting Authority intends to hold itself bound by Directive 2004/18/EC (as amended) as implemented by the Public Sector Procurement Regulations 2006.
