#### **5.1.7. Strategic procurement**

Aim of strategic procurement: No strategic procurement

#### **5.1.9. Selection criteria**

Sources of selection criteria: Notice, Procurement Document

Criterion: References on specified works

Description of selection criterion: References for at least three comparable evaporation systems, no more than three years old. E-beam evaporation systems are considered comparable, when the electron beam deposition process is performed in a high vacuum process chamber that uses high energy electrons to form an electron beam directed towards a rotary multi-pocket crucible (metal source). The metal materials are then evaporated on multiple wafers placed on a rotating substrate holder (dome). The overall system is controlled via a computer software. Minimum details required: brief description of the equipment, customer's name, contact details (at least an email address), year in which the service was provided

Criterion: Average yearly manpower

Description of selection criterion: Company profile Minimum information: year of establishment, number of employees, what is manufactured/what services are provided --> Please provide all information in text form, NO links or images.

Criterion: Other economic or financial requirements

Description of selection criterion: 1. Self-declaration that there are no grounds for exclusion pursuant to Sections 123 and 124 of the German Act against Restraints of Competition (GWB)  
2. Self-declaration (EU) No. 833/2014

Criterion: Financial ratio

Description of selection criterion: Revenue of the last 3 years

#### **5.1.10. Award criteria**

**Criterion:**

Type: Quality

Name: Technical specification

Description: Technical Specification

Category of award weight criterion: Weight (percentage, exact)

Award criterion number: 65

**Criterion:**

Type: Price

Name: Price

Description: Price

##### Framework agreement:

No framework agreement

##### Information about the dynamic purchasing system:

No dynamic purchase system

#### 5.1.16. Further information, mediation and review

Review organisation: Vergabekammern des Bundes

Information about review deadlines: Applications for review are not permitted if more than 15 calendar days have passed since receipt of notification from the contracting authority that it is unwilling to redress an objection (section 160 (3) sentence 1 no. 4 of the German Competition Act (Gesetz gegen Wettbewerbsbeschränkungen, GWB)). Additionally, applications for review are not permitted if an award has been made before the public procurement tribunal has informed the contracting authority about the application for review (sections 168 (2) sentence 1 and 169 (1) GWB). Contracts may be awarded 15 calendar days after the tenderer information pursuant to section 134 (1) GWB has been sent. If the information is sent electronically or by fax, the period shall be reduced to ten calendar days (section 134 (2) GWB). The period shall begin on the day after which the contracting authority sends the information; the date of receipt

by the tenderer and candidate in question shall be irrelevant. The admissibility of a review application also requires that the applicant notified the contracting authority about the claimed violations of public procurement provisions within ten calendar days of becoming aware of them (section 160 (3) sentence 1 no. 1 GWB). Violations of public procurement provisions which become apparent from the tender notice must be notified to the contracting authority by the end of the time limit for the application or the submission of a tender specified in the notice (section 160 (3) sentence 1 no. 2 GWB). Violations of public procurement provisions which only become apparent from the procurement documents must be notified to the contracting authority by the end of the time limit for the application or the submission of a tender (section 160 (3) sentence 1 no. 3 GWB).
