### **II.2.4. Description of the procurement**

Solund Municipality has decided to construct a new secondary school at Hardbakke.

The existing secondary school was built in 1956 and will be demolished after the new school has been

constructed. The existing school building will be in operation throughout the entire construction phase and

adequate adaptations to the rigging and access conditions must be included for this.

Solund Municipality's general goal for the project is to create a

future orientated school. The new secondary school will be designed for 50 pupils and

15-20 employees. A new public library is planned to be integrated in the school, in accordance with the

rules from Vestland County. The school's total area is 1600 m<sup>2</sup> over two

floors. The school will be a wooden construction.

The project will be carried out as a turnkey contract.
