Energy-efficiency consultancy services. Ventilation consultancy services. Building consultancy services. Hazard protection and control consultancy services. Consulting services for water-supply and waste consultancy. Building services consultancy services. The NHS London Procurement Partnership (NHS LPP) wishes to establish two complementary Buildings and Facilities Management (FM) professional services frameworks. These frameworks seek to provide NHS trusts (primarily in London) with access to a range of suitable suppliers of professional services across buildings services and advisory services. The first framework focuses on Building Services while the second framework focuses on Advisory Services.

These 2 frameworks are complementary to each other and will, where possible, follow the same tendertimescales and procedures. However each framework is stand alone, with a separate OJEU Contract Noticeand separate PQQ and ITT responses required. Therefore where a supplier wishes to participate in bothframeworks, two separate responses will be required from the supplier, one for Building Services and one forAdvisory Services.This OJEU notice relates to the second framework - Advisory Services, which consists of 3 lots:

A. Environmental Management and Sustainability Specialist Services.

B. Health, Safety and Statutory Compliance.

C. Strategic Consultancy and Health Planning.LPP is setting up this Framework Agreement on behalf of its members and King's College London. A link toLPP's list of its current membership is set out below. This list is regularly updated to reflect any change in membership from time to time.http://lpp.nhs.uk/page_sa.asp?fldKey=12It is expected that multiple contracts will be awarded under the framework. The value of any one of thesecontracts may range from GBP 1 to GBP 5 000 000 per project.

The framework will be established for 2 years with the option to extend for a further 2 x 12 month periods.
