2. Procedure

2.1. Procedure

Title: Procurement of a wheel loader

Description: Procurement of a wheel loader – SIMAS IKS SIMAS IKS shall enter into a contract for the delivery of one (1) complete wheel loader for operation at SIMAS' facility in Festingdalen, Kaupanger. The machine shall be delivered ready-made and ready for use when delivered, including naudsynt documentation in Norwegian, training operators as well as function testing and acceptance tests. The procurement comprises a wheeled loader in weight class approx. 18-20 tonnes, adapted to work with mass handling, compost production, loading waste and handling of containers and additional equipment. The functions, technical specifications, equipment and options are stated in Annex 1 - Requirement Specifications (Excel). All the technical and functional requirements in Annex 1 are binding minimum requirements if not listed. Tenderers shall offer a complete machine ready for operation, including training at SIMAS, documented service and maintenance and guarantee in accordance with the requirements in Annex 1. The host has set response time requirements for fault handling and service. The delivery shall be carried out in DDP (Incoterms 2010) to SIMAS' facility in Kaupanger. The competition was held as an open tender contest for negotiations in accordance with the Public Procurement Act (LOA) and the Public Procurement Regulations (FOA) part III (above the EEA threshold). All communication and delivery of tenderers shall occur via KGV (Artifik). The qualification requirement shall be documented by ESPD in kgv and it comprises legal establishment, economic and financial capacity, as well as technical and professional capacity, including relevant references and documented works stage in Vestland. The contract will be awarded based on the financially most advantageous tender, based on the following criteria: Price (50%), Environment (20%), Quality and provision (20%) and Service and uptime (10%). The contract will benefit DFØ's standard contract terms for the procurement of goods with or from assembly/installation, with any clarifications as stated in the tender documentation and annexes.

Procedure identifier: 1ef5854a-8346-44ba-836d-ffbc99f4810e

Internal identifier: 5112

Type of procedure: Open

The procedure is accelerated: no

2.1.1. Purpose

Main nature of the contract: Supplies

Main classification (cpv): 43251000 Front-end shovel loaders with backhoe

Additional classification (cpv): 43200000 Earthmoving and excavating machinery, and associated parts, 43250000 Front-end shovel loaders

2.1.2. Place of performance

Country subdivision (NUTS): Vestland (NO0A2)

Country: Norway

2.1.3. Value

Estimated value excluding VAT: 3 000 000,00 NOK

2.1.4. General information

Legal basis:

Directive 2014/24/EU

2.1.6. Grounds for exclusion

Sources of grounds for exclusion: Notice

Analogous situation like bankruptcy, insolvency or arrangement with creditors under national law: Is the tenderer in a bankruptcy situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers in such a situation is obligatory in accordance with the current national law with no exceptions, when the tenderer is still able to carry out the contract.

Bankruptcy: Is the tenderer in a bankruptcy situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers in such a situation is obligatory in accordance with the current national law with no exceptions, when the tenderer is still able to carry out the contract.

Corruption: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, in the event a enforceable verdict has been convicted of corruption by a verdict handed down not more than five years ago, or a rejection period determined directly in the judgement that still applies? Corruption as defined in Article 3 of the Convention on Combating Corruption, Involving European Communities or European Union Member States (EUT C 195 of 25.6.1997, s. 1), and in Article 2, point 1, in the Council's framework decision 2003/568/RIA of 22 July 2003 on combating corruption in the private sector (EUT L 192 of 31.7.2003, p. 54). This rejection reason also includes corruption as defined in national law for the contracting authority or supplier.

Arrangement with creditors: Is the supplier in a situation where he has been forced debt arrangement? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers in such a situation is obligatory in accordance with the current national law with no exceptions, when the tenderer is still able to carry out the contract.

Participation in a criminal organisation: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, at the time a legally convicted verdict of participation in a criminal organisation by a verdict handed down no more than five years ago,

or a rejection period set out directly in the judgement that still applies? Participation in a criminal organisation as defined in Article 2 of the Council's framework decision 2008/841/RIA of 24 October 2008 on combating organised crime (EUT L 300 of 11.11.2008, p. 42).

Agreements with other economic operators aimed at distorting competition: Has the tenderer entered into agreement(s) with other tenderers with the intention of turning the competition?

Breaching of obligations in the fields of environmental law: Is the tenderer aware of breaches of environmental provisions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Money laundering or terrorist financing: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of money laundering or financing terrorism by a verdict handed down no more than five years ago, or a rejection period set out directly in the judgement that still applies? Money laundering or financing terrorism As defined in Article 1 of the European Parliament and Council Directive 2005/60/EF of 26 October 2005 on preventive measures against the use of the financial system for money laundering and financing terrorism (EUT L 309 of 25.11.2005, p. 15).

Fraud: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, at the time a legally convicted of fraud has been convicted of fraud by a verdict handed down not more than five years ago, or a rejection period determined directly in the judgement that still applies? Fraud included in Article 1 of the Convention on protection of the Financial Interests of the European Communities (EFT C 316 of 27.11.1995, p. 48).

Child labour and including other forms of trafficking in human beings: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of child labour and other forms of human trafficking by a verdict handed down no more than five years ago, or a rejection period determined directly in the judgement that still applies? Child labour and other forms of human trafficking as defined in Article 2 of the European Parliament and council directive 2011/36/EU of 5. 1 April 2011 on the prevention and control of human trafficking and the protection of its victims and for compensation of the Council's framework decision 2002/629/RIA (EUT L 101 of 15.4.2011, p. 1).

Insolvency: Is the tenderer in an insolvency situation? Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers in such a situation is obligatory in accordance with the current national law with no exceptions, when the tenderer is still able to carry out the contract.

Breaching of obligations in the fields of labour law: Is the tenderer aware of breaches of provisions on working conditions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Assets being administered by liquidator: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers in such a situation is obligatory in accordance with the current national law with no exceptions, when the tenderer is still able to carry out the contract.

Misrepresentation, withheld information, unable to provide required documents or obtained confidential information of this procedure: Has the tenderer: a) given grossly incorrect information with the notification of the information required to verify that there is no basis for

rejection, or of the qualification requirements being fulfilled, b) failed to provide such information, c) made reservations immediately to present the supporting documents requested by the contracting authority, or d) improperly affected the contracting authority's decision process to acquire confidential information that could give this an unlawful advantage in connection with competition, or negligently has given misleading information that can have a significant influence on decisions on rejection, selection or award?

Conflict of interest due to its participation in the procurement procedure: Is the tenderer aware of a conflict of interest as stated in national law, the relevant notice or procurement documents?

Direct or indirect involvement in the preparation of this procurement procedure: Has the tenderer or an entity associated with the supplier advised the contracting authority or in another way been involved in the planning of the competition?

Grave professional misconduct: Has the tenderer committed serious errors in professional practice? If relevant, see the definitions in national law, the relevant notice or procurement documents.

Early termination, damages, or other comparable sanctions: Has the tenderer committed significant breaches of contract in connection with the fulfilment of a previous public contract, a previous contract with a public contracting authority or a previous concession contract, where the breach has led to the cancellation of the contract, compensation or other similar sanctions?

Breaching of obligations in the fields of social law: Is the tenderer aware of breaches of provisions on social conditions as stated in national law, the relevant notice or procurement documents or Article 18 (2) of Directive 2014/24/EU.

Breaching obligation relating to payment of social security contributions: Have tenderers failed to fulfil all their social security obligations in the country where they are established and in their member state, if this is a different country than what he is established in?

Business activities are suspended: Specify why, under the mentioned circumstances, one is able to carry out the contract, considering the current national provisions and measures for continuing the business activities? It is not necessary to provide this information if rejection of tenderers in such a situation is obligatory in accordance with the current national law with no exceptions, when the tenderer is still able to carry out the contract.

Breaching obligation relating to payment of taxes: Has the tenderer not fulfilled all of his tax and duty obligations in both the country where he is established and in the contracting authority's member state, if this is a different country than what he is established in?

Terrorist offences or offences linked to terrorist activities: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body, or has the competence to represent or control or make decisions in such bodies, in the event a legal verdict has been convicted of acts of terrorism or criminal acts connected to terrorist activities by a verdict handed down no more than five years ago, or a rejection period set out directly in the judgement that still applies? Acts of terrorism or criminal acts relating to terrorist activity as defined in Article 1 and 3 of the Council's framework decision 2002/475/RIA of 13 June 2002 on combating terrorism (EFT L 164, of 22.6.2002, p. 3). This rejection reason also includes incitement to, participation or attempts to commit such actions as included in Article 4 in the mentioned framework decision.

Offence concerning its professional conduct in the domain of defence procurement: Is the tenderer himself or a person, who is a member of the tenderer's administration, management or supervisory body, or has the competence to represent or control or make decisions in such bodies, have been legally convicted of offences regarding professional behaviour in defence procurements?

Lack of reliability to exclude risks to the security of the country: Is the tenderer assessed to lack reliability that is necessary to exclude the risk of national security?

Breaching of obligations set under purely national exclusion grounds: The contracting authority shall state that in Norway there are national rejection reasons. These shall be described in the procurement documents. Tenderers must respond to whether they are in one or more of the situations described in the national rejection reasons.

Title: Procurement of a wheel loader

Description: Procurement of a wheel loader – SIMAS IKS SIMAS IKS shall enter into a contract for the delivery of one (1) complete wheel loader for operation at SIMAS' facility in Festingdalen, Kaupanger. The machine shall be delivered ready-made and ready for use when delivered, including naudsynt documentation in Norwegian, training operators as well as function testing and acceptance tests. The procurement comprises a wheeled loader in weight class approx. 18-20 tonnes, adapted to work with mass handling, compost production, loading waste and handling of containers and additional equipment. The functions, technical specifications, equipment and options are stated in Annex 1 - Requirement Specifications (Excel). All the technical and functional requirements in Annex 1 are binding minimum requirements if not listed. Tenderers shall offer a complete machine ready for operation, including training at SIMAS, documented service and maintenance and guarantee in accordance with the requirements in Annex 1. The host has set response time requirements for fault handling and service. The delivery shall be carried out in DDP (Incoterms 2010) to SIMAS' facility in Kaupanger. The competition was held as an open tender contest for negotiations in accordance with the Public Procurement Act (LOA) and the Public Procurement Regulations (FOA) part III (above the EEA threshold). All communication and delivery of tenderers shall occur via KGV (Artifik). The qualification requirement shall be documented by ESPD in kgv and it comprises legal establishment, economic and financial capacity, as well as technical and professional capacity, including relevant references and documented works stage in Vestland. The contract will be awarded based on the financially most advantageous tender, based on the following criteria: Price (50%), Environment (20%), Quality and provision (20%) and Service and uptime (10%). The contract will benefit DFØ's standard contract terms for the procurement of goods with or from assembly/installation, with any clarifications as stated in the tender documentation and annexes.

Internal identifier: 6677

5.1.1. Purpose

Main nature of the contract: Supplies

Main classification (cpv): 43251000 Front-end shovel loaders with backhoe

Additional classification (cpv): 43200000 Earthmoving and excavating machinery, and associated parts, 43250000 Front-end shovel loaders

5.1.2. Place of performance

Country subdivision (NUTS): Vestland (NO0A2)

Country: Norway

5.1.3. Estimated duration

Duration: 5 Months

5.1.6. General information

Reserved participation:

Participation is not reserved.

Procurement Project not financed with EU Funds.

The procurement is covered by the Government Procurement Agreement (GPA): yes

5.1.7. Strategic procurement

Aim of strategic procurement: Reduction of environmental impacts

Description: Reduction of environmental impact

5.1.9. Selection criteria

Sources of selection criteria: Notice

Criterion: Enrolment in a trade register

Description of selection criterion: Tenderers shall be legally established. The requirement is documented through ESPD. Norwegian tenderers will automatically obtain a company registration certificate and tax certificate via eBevis. Tenderers shall confirm that conditions do not lie that lie with obligatory or voluntary rejection basis in accordance with LOA/FOA part III.

Documentation requirements: The requirement is documented through ESPD

Criterion: Other economic or financial requirements

Description of selection criterion: Tenderers must have sufficient economic and financial capacity to carry out the delivery. Documented in ESPD (annual accounts/turnover in the last 2 years, key figures for solidity). Financial information is supplemented via eBevis for Norwegian tenderers. SIMAS can reject tenderers where the capacity is considered exhaustable.

Documentation requirements:

Criterion: Technicians or technical bodies to carry out the work

Description of selection criterion: Tenderers shall have sufficient technical and professional capacity to deliver wheel loaders in accordance with Annex 1 - Requirement Specification (Excel). The requirement is to be documented through ESPD with information on at least two (2) relevant deliveries in the last three (3) years, description of any quality system (t.d. ISO 9001 or equivalent if available), as well as an overview of access to reserved equipment and service personnel. Documentation requirements: Documented by a completed ESPD. The contracting authority can request documentation of references and capacity if needed.

Criterion: Technicians or technical bodies to carry out the work

Description of selection criterion: Tenderers shall have sufficient service capacity to fulfil the warranty, service and response time requirements in Annex 1 - Requirement Specifications (Excel). This includes documented access to qualified service personnel, works resource in the region and access to critical reservedelars, so that the response time required can be fulfilled in the warranty period. The requirement shall be documented through a ESPD/self-declaration. Documentation requirements: Documented by a completed ESPD/self-declaration. The contracting authority can request documentation of service and works capacity if needed.
