The value of the agreement is uncertain. The stated value is based on high estimates for Oslo and partners.

## **Section III: Legal, economic, financial and technical information**

---

### **III.1. Conditions for participation**

#### **III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers**

List and brief description of conditions:

Tenderers must be a legally established company.

#### **III.1.2. Economic and financial standing**

List and brief description of selection criteria:

Sufficient economic and financial capacity to be able to fulfil the contract.

#### **III.1.3. Technical and professional ability**

List and brief description of selection criteria:

1) Tenderers shall have good experience from equivalent assignments. Similar contracts are in this context assignments with a large number of delivery locations and similar total scope;  
2) The tenderer must have implemented quality assurance measures that ensure that the tenderer is suitable to fulfil the contract obligations for social requirements.

This means that the tenderer has methods for managing the supplier chain and tracking systems that enable follow-up of compliance with:

A. Basic human rights;

B. ILO's core conventions.

3) The supplier must have implemented environmental management measures.

This means that the supplier has methods for working actively and systematically to reduce negative environmental impact from activities related to the delivery of the products on the agreement.
