VI.2. Additional information

Suppliers interested in working with the Ministry of Defence should register on the MOD Supplier Information Database (SID) Register, available at www.contracts.mod.uk. The MOD SID is a database of active and potential suppliers available to all MOD and UK Defence procurement personnel, and is the main supplier database of MOD Procurement organisations. Please note: the registration and publication of a company profile on the MOD SID does not mean or imply that the supplier has in any way been vetted or approved by the MOD. Suppliers wishing to compete for advertised MOD contracts must respond to any specific call for competition by submitting a separate expression of interest in accordance with the instructions of the purchasing organisation.

Advertising Regime OJEU: These contract opportunities are published in the Official Journal of the European Union (OJEU) and the MoD Defence Contracts Bulletin. The award of any subsequent contract arising from such requirements is subject to the Public Contract Regulations 2006. Where advertising is necessary in the OJEU and the DCB, the content of the two adverts must be exactly the same.

Please note that this requirement is now for Lot 1 only. Lot 2 has been withdrawn and is now the subject of a separate tender action entitled Framework Agreement for Technical Support / Specialist Technical Support.

The Contracting Authority states that this Framework Agreement is for use by the following UK public sector bodies (and any future successors to these organisations): Central government departments, executive agencies, and non-departmental public bodies as outlined at: <http://www.direct.gov.uk/en/DI1/Directories/A-ZOfCentralGovernment/index.htm>, also the following named wider public sector organisations: South Bedfordshire District Council; High Speed Two (HS2) Ltd; Leeds City Council; Northamptonshire County Council; Medway Council; Warwick District Council; Highlands and Islands Enterprise.
