1. Buyer**1.1. Buyer**

Official name: Nordisk Sikkerhet AS

Legal type of the buyer: International organisation

Activity of the contracting authority: Public order and safety

2. Procedure**2.1. Procedure**

Title: Turnkey supply of automated radiation portal monitor and personnel contamination monitor systems

Description: In the framework of the Contract, entrance points on the Recipient's site shall be equipped with Radiation Portal Monitors (RPMs) and Personnel contamination monitors to detect the unauthorised movement of RN materials and radiological contamination. The Contract implies the establishment of automated monitoring system(s), which comprise(s) of the following: – Vehicle radiation portal monitors (3 sets) with gamma detectors (plastic scintillator), – Pedestrian radiation portal monitors (3 sets) with gamma detectors (plastic scintillator), – Personnel contamination monitors (4 sets) with alpha- and beta-radiation detectors (detector type is to be defined by the tenderer), – Video surveillance system, – Application software for automated radiation monitoring, – Operator's workplaces (5 sets) and other equipment. The radiation portal monitor and personnel contamination monitor system(s) and video surveillance shall be linked via local area network (LAN) based on high-speed optical-fiber cable) for data networking to be installed by the Contractor within a scope of the supply. Detailed information regarding both technical and service requirements is provided in the Annex "Specifications".

Procedure identifier: 58443082-307d-4a30-bc42-028c338e2bed

Internal identifier: 804-01

Type of procedure: Open

The procedure is accelerated: no

Main features of the procedure: The Contract implies the establishment of automated monitoring system(s), which comprise(s) of the following: – Vehicle radiation portal monitors (3 sets) with gamma detectors (plastic scintillator), – Pedestrian radiation portal monitors (3 sets) with gamma detectors (plastic scintillator), – Personnel contamination monitors (4 sets) with alpha- and beta-radiation detectors (detector type is to be defined by the tenderer), – Video surveillance system, – Application software for automated radiation monitoring, – Operator's workplaces (5 sets) and other equipment.

2.1.1. Purpose

Main nature of the contract: Supplies

Main classification (cpv): 38341600 Radiation monitors

2.1.2. Place of performance

Country: Ukraine

Anywhere in the given country

Additional information: STE "Barrier", Anoshkina Avenue 179B, Kamianske, Ukraine.

2.1.3. Value

Estimated value excluding VAT: 9 500 000,00 NOK

2.1.4. General information

Legal basis:

Directive 2014/24/EU

Anskaffelsesforskriften -

2.1.6. Grounds for exclusion:

Analogous situation like bankruptcy under national law: Is the supplier in a situation where he has been given a forced debt arrangement? State why, under the circumstances mentioned, you are nevertheless able to perform the contract, taking into account the applicable national provisions and measures regarding the continuation of business activities? It is not necessary to enter this information if the rejection of suppliers is made mandatory according to the applicable national law without the possibility of exceptions.

Bankruptcy: Is the supplier in a bankruptcy situation? State why, under the circumstances mentioned, you are nevertheless able to perform the contract, taking into account the applicable national provisions and measures regarding the continuation of business activities? It is not necessary to enter this information if the rejection of suppliers is made mandatory according to the applicable national law without the possibility of exceptions.

Corruption: Has the supplier himself or a person, who is a member of the supplier's administration, management or control body or has the competence to represent or control or make decisions in such bodies, by a final judgment been convicted of corruption by a sentence handed down for no more than five years ago, or a disqualification period established directly in the judgment that still applies? Corruption as defined in Article 3 of the Convention on Combating Corruption, involving officials of the European Communities or of the Member States of the European Union (OJ C 195 of 25.6.1997, p. 1), and in article 2, par. 1, in the Council's framework decision 2003/568/RIA of 22 July 2003 on combating corruption in the private sector (OJ L 192 of 31.7.2003, p. 54). This reason for rejection also includes corruption as defined in national law for the client or supplier.

Arrangement with creditors: Is the supplier in a situation where he has been given a forced debt arrangement? State why, under the circumstances mentioned, you are nevertheless able to perform the contract, taking into account the applicable national provisions and measures regarding the continuation of business activities? It is not necessary to enter this information if the rejection of suppliers is made mandatory according to the applicable national law without the possibility of exceptions.

Participation in a criminal organisation: Has the supplier himself or a person, who is a member of the supplier's administrative, management or control body or has the competence to represent or control or make decisions in such bodies, been convicted by a final judgment for participation in a criminal organization by a sentence handed down for no more than five years ago, or a disqualification period stipulated directly in the judgment which still applies?

Participation in a criminal organization as defined in Article 2 of the Council's framework decision 2008/841/RIA of 24 October 2008 on combating organized crime (OJ L 300 of 11.11.2008, p. 42)

Agreements with other economic operators aimed at distorting competition: Has the supplier entered into agreement(s) with other suppliers with the intention of distorting the competition?
Money laundering or terrorist financing: Has the supplier himself or a person, who is a member of the supplier's administration, management or control body or has the competence to represent or control or make decisions in such bodies, by a final judgment been convicted of money laundering or financing of terrorism by a judgment handed down no more than five years ago, or a period of exclusion set directly in the judgment that still applies? Money laundering or financing of terrorism As defined in Article 1 of Directive 2005/60/EC of the European Parliament and of the Council of 26 October 2005 on preventive measures against use of the financial system for money laundering and financing of terrorism (OJ L 309 of 25.11.2005, p. 15).

Fraud: Has the supplier himself or a person, who is a member of the supplier's administrative, management or control body or has the competence to represent or control or make decisions in such bodies, by a final judgment been convicted of fraud by a sentence handed down for no more than five years ago, or a period of rejection set directly in the judgment that still applies? Fraud as referred to in Article 1 of the Convention on the Protection of the Financial Interests of the European Communities (EFT C 316 of 27.11.1995, p. 48).

Child labour and other forms of trafficking in human beings: Has the supplier himself or a person, who is a member of the supplier's administration, management or control body or has the competence to represent or control or make decisions in such bodies, by a final judgment been convicted of child labor and other forms of human trafficking by a judgment handed down no more than five years ago, or a period of exclusion set directly in the judgment that still applies? Child labor and other forms of human trafficking as defined in Article 2 of Directive 2011/36/EU of the European Parliament and of the Council of 5 April 2011 on the prevention and combating of human trafficking and protection of its victims, and on the replacement of the Council's framework decision 2002/629/RIA (OJ L 101 of 15.4.2011, p. 1).

Insolvency: Is the supplier in an insolvency situation? State why, under the circumstances mentioned, you are nevertheless able to perform the contract, taking into account the applicable national provisions and measures regarding the continuation of business activities? It is not necessary to enter this information if the rejection of suppliers is made mandatory according to the applicable national law without the possibility of exceptions.

Assets being administered by liquidator: State why, under the circumstances mentioned, you are nevertheless able to perform the contract, taking into account the applicable national provisions and measures regarding the continuation of business activities? It is not necessary to enter this information if the rejection of suppliers is made mandatory according to the applicable national law without the possibility of exceptions.

Guilty of misrepresentation, withheld information, unable to provide required documents and obtained confidential information of this procedure: Has the supplier: a) provided grossly incorrect information when communicating the information required to check that there is no basis for rejection, or that the qualification requirements have been met, b) failed to provide such information, c) reserved the right to immediately present the supporting documents that the client requests, or d) unlawfully influenced the client's decision-making process in order to acquire confidential information that could give it an unfair advantage in connection with the competition, or has negligently provided misleading information that could have a significant influence on decisions about rejection, selection or award?

Conflict of interest due to its participation in the procurement procedure: Is the supplier aware of a conflict of interest as stated in national law, the relevant announcement or the procurement documents?

Direct or indirect involvement in the preparation of this procurement procedure: Has the supplier or a business associated with the supplier given advice to the client or otherwise been involved in the planning of the competition?

Guilty of grave professional misconduct: Has the supplier committed serious errors in their professional practice? If relevant, see definitions in national law, the relevant notice or procurement documents.

Early termination, damages or other comparable sanctions: Has the supplier committed a significant breach of contract in connection with the fulfillment of a previous public contract, a previous contract with a public client or a previous concession contract, where the breach has led to the termination of the contract, compensation or other similar sanctions?

Payment of social security contributions: Has the supplier failed to fulfill all his obligations to pay social security contributions both in the country in which he is established, and in the client's Member State, if this is a different country than the one in which he is established?

Business activities are suspended: State why, under the circumstances mentioned, you are nevertheless able to perform the contract, taking into account the applicable national provisions and measures regarding the continuation of business activities? It is not necessary to enter this information if the rejection of suppliers is made mandatory according to the applicable national law without the possibility of exceptions.

Payment of taxes: Has the supplier failed to fulfill his obligations to pay taxes and fees in the country in which he is established, and in the client's Member State, if this is a different country than the one in which he is established?

Terrorist offences or offences linked to terrorist activities: Has the supplier himself or a person, who is a member of the supplier's administrative, management or control body or has the competence to represent or control or make decisions in such bodies, been convicted by a final judgment for acts of terrorism or criminal offenses connected to terrorist activity by a judgment handed down no more than five years ago, or a period of disqualification stipulated directly in the judgment which still applies? Terrorist acts or criminal acts related to terrorist activity as defined in articles 1 and 3 of the Council's framework decision 2002/475/RIA of 13 June 2002 on combating terrorism (OJ L 164 of 22.6.2002, p. 3). This reason for rejection also includes incitement to, complicity in or attempts to commit such acts as referred to in Article 4 of the aforementioned framework decision.

5.1.9. Selection criteria

Criterion:

Type: Economic and financial standing

Name: "Total" annual turnover

Description: The supplier's ("total") annual turnover for the number of financial years requested in the announcement or in the procurement documents is as follows:

Use of this criterion: Not used

Criterion:

Type: Economic and financial standing

Name: Average annual turnover

Description: The supplier's average annual turnover for the number of years requested in the announcement or procurement documents is as follows: Minimum qualification requirements

Use of this criterion: Used

Criterion:

Type: Economic and financial standing

Name: "Specific annual turnover"

Description: Is the supplier's ("specific") annual turnover within the area to which the contract applies and specified in the announcement or in the procurement documents for the number of financial years requested is as follows: Minimum qualification requirements

Use of this criterion: Used

Criterion:

Type: Economic and financial standing

Name: Average turnover

Description: Is the supplier's average annual turnover within the area covered by the contract and specified in the announcement or in the procurement documents for the number of financial years requested is as follows: Minimum qualification requirements

Use of this criterion: Used

Criterion:

Type: Economic and financial standing

Name: The supplier's establishment date

Description: If the turnover information (aggregate or specific) is not available for the entire period requested, please indicate the date when the business was established or the suppliers started their business:

Use of this criterion: Not used

Criterion:

Type: Economic and financial standing

Name: Key financial figures

Description: With respect to financial key figures indicated in the notice or procurement documents, the supplier declares that the actual value(s) of the key figure(s) requested are as follows: Minimum qualification requirements

Use of this criterion: Used

Criterion:

Type: Economic and financial standing

Name: Liability insurance

Description: The insured amount in the supplier's liability insurance is as follows:

Use of this criterion: Not used

Criterion:

Type: Economic and financial standing

Name: Other economic and financial requirements

Description: With regard to any other economic and financial requirements that have been stated in the announcement or in the procurement documents, the supplier declares that:

Use of this criterion: Not used

Criterion:

Type: Other

Name: Certificates issued by independent bodies for quality assurance standards

Description: Can the supplier provide certificates issued by independent bodies as documentation that the supplier meets the specified quality assurance standards, including requirements for universal design? Minimum qualification requirements

Use of this criterion: Used

Criterion:

Type: Other

Name: Certificates issued by independent bodies for environmental management standards

Description: Is the supplier able to provide certificates issued by independent bodies as documentation that the supplier meets the specified environmental management systems or standards?

Use of this criterion: Not used

Criterion:

Type: Suitability to pursue the professional activity

Name: Registered in the professional register

Description: The supplier is registered in a professional register in the Member State in which the supplier is established. As described in Annex XI to Directive 2014/24/EU; suppliers from certain Member States may have to fulfill other requirements in the said Annex.

Use of this criterion: Not used

Criterion:

Type: Suitability to pursue the professional activity

Name: Registered in the trade register or enterprise register

Description: The supplier is registered in a business register or a trade register in the Member State in which the supplier is established. As described in Annex XI to Directive 2014/24/EU; suppliers from certain Member States may have to fulfill other requirements in the said Annex.

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Only for public goods deliveries

Description: Only for public goods deliveries: During the reference period, the supplier has carried out the following important goods deliveries of the requested type, or the following important services of the requested type. The client can claim up to three years' experience and allow experience from the time before the last three years to be taken into account.

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Technical personnel or technical units

Description: The supplier can dispose of the following technical personnel or technical units, in particular those responsible for quality control: For technical personnel or technical units that do not directly belong to the supplier's business, but whose capacity the supplier relies on, cf. part II, section C, must separate ESPD forms are completed. Minimum qualification requirements

Use of this criterion: Used

Criterion:

Type: Technical and professional ability

Name: Technical facilities and quality assurance measures

Description: The supplier uses the following technical facilities and quality assurance measures, and the supplier's examination and research facilities are as follows: Minimum qualification requirements

Use of this criterion: Used

Criterion:

Type: Technical and professional ability

Name: Examination and research facilities

Description: The supplier's examination and research facilities are as follows:

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Management and tracking of the supply chain

Description: The supplier will be able to apply the following supply chain management and tracking systems when executing the contract:

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Permission for inspection

Description: For goods or services that are complicated, or that are exceptionally to be used for a special purpose: Will the supplier allow an inspection of the supplier's production capacity or technical capacity and, where necessary, of the examination and research facilities at the supplier's disposal, and of quality control measures? The inspection must be carried out by the client or the client can entrust it to a competent public body in the state in which the supplier is established. Minimum qualification requirements

Use of this criterion: Used

Criterion:

Type: Technical and professional ability

Name: Education and professional qualifications

Description: The following education and professional qualifications are possessed by the supplier and/or (depending on which requirements are laid down in the announcement or in the procurement documents) by the leading employees:

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Environmental management measures

Description: The supplier can apply the following environmental management measures in connection with the execution of the contract:

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Number of employees in management

Description: The supplier's number of employees in management during the last three years was as follows:

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Average annual workforce

Description: The supplier's average annual workforce over the past three years has been as follows:

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Tools, material and technical equipment

Description: The supplier will be able to dispose of the following tools, material and technical equipment to perform the contract:

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: Proportion of contract to subcontractor

Description: The supplier is considering assigning the following part (in percentage) of the contract to subcontractors. Note that if the supplier has decided to subcontract part of the contract and relies on the subcontractors' capacity to perform this part, a separate ESPD is completed for such subcontractors, see Part II, Section C, above. Minimum qualification requirements

Use of this criterion: Used

Criterion:

Type: Technical and professional ability

Name: When purchasing goods: Requested samples, descriptions or photographs, which do not need to be accompanied by certificates that they are genuine

Description: When purchasing goods: The supplier provides requested samples, descriptions or photographs for the goods to be delivered, which do not need to be accompanied by certificates that they are genuine

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: When purchasing goods: Requested samples, descriptions or photographs with certificates.

Description: When purchasing goods: If requested, the supplier further declares that it will supply the requested certificates that they are genuine.

Use of this criterion: Not used

Criterion:

Type: Technical and professional ability

Name: When purchasing goods: Certificates issued by official bodies for quality control

Description: Can the supplier provide the requested certificates issued by official quality control bodies, which can confirm that the goods, which are clearly identified by reference to technical specifications or standards, which are set out in the notice or in the procurement documents, are in accordance with them?

Use of this criterion: Not used

5.1.11. Procurement documents

Languages in which the procurement documents (or their parts) are unofficially available:
English

Deadline for requesting additional information: 01/07/2024 15:00:00 (UTC)

Address of the procurement documents: <https://permalink.mercell.com/230729357.aspx>

5.1.12. Terms of procurement

Terms of submission:

Electronic submission: Required

Address for submission: <https://permalink.mercell.com/230729357.aspx>

Languages in which tenders or requests to participate may be submitted: English

Electronic catalogue: Allowed

Variants: Not allowed

Description of the financial guarantee: Pre-financing and Performance Guarantees Generally, the successful tenderer will be asked to provide the Performance guarantees of 5 % of the amount of the Contract and the Pre-Financing Guarantee for the full amount of pre-payment at the signing of the Contract. The Contracting Authority reserves the right to waive the Pre-Financing Guarantee requirements, if the Contractor does not require the advance payment for the works. In this case, the Contractor bears responsibility to implement the contract using their own means. A 100% payment will be made to the contractor by the Contracting Authority upon the delivery and provisional acceptance of the goods. For a minor contract (\leq NOK 200 000), the Contracting Authority, depending on its assessment of the risks, may decide to waive the Performance Guarantee requirement. In this case, the decision will take into consideration the tenderer's litigation history, available resources and means, previously implemented contracts, etc. Within twenty (20) calendar days after receipt of the Contract the successful tenderer shall sign the Contract and return it to the Contracting Authority along with a corresponding Pre-Financing and Performance Guarantees, if required. Where the successful tenderer fails to sign the Contract or furnish a corresponding Pre-Financing and Performance Guarantees, if required, within thirty (30) calendar days after the Letter of Acceptance and receipt of the Contract, the Contracting Authority shall have the right to deem the award of contract null and void. In the event of avoidance of the award of contract the Contracting Authority shall refer to the next successful tenderer.

Deadline for receipt of tenders: 15/07/2024 15:00:00 (UTC)

Deadline until which the tender must remain valid: 4 Months

Information about public opening:

Opening date: 15/07/2024 15:01:00 (UTC)

Terms of contract:

Conditions relating to the performance of the contract: see attachments 1-11 for details

A non-disclosure agreement is required: yes

Electronic invoicing: Required

Electronic ordering will be used: no

Electronic payment will be used: yes

Legal form that must be taken by a group of tenderers that is awarded a contract: Joint venture or consortium.
