Telephone: +353 16463508

Internet address(es):

General address of the contracting entity: <http://www.rpa.ie>

Additional information can be obtained from:

the abovementioned address

Specifications and additional documents (including documents for a dynamic purchasing system) can be obtained from: the abovementioned address

Tenders or requests to participate must be submitted: the abovementioned address

I.2. Main activity

Urban railway, tramway, trolleybus or bus services

I.3. Contract award on behalf of other contracting entities

Section II: Object of the contract

II.1. Description

II.1.1. Title attributed to the contract by the contracting entity

BXD_400_ Infrastructure Works - The design and construction of a light railway extension approximately 5.6 km in length.

II.1.2. Type of contract and place of performance or delivery

Works
Design and execution
NUTS code IE021 Dublin

II.1.3. Information about a framework agreement or a dynamic purchasing system

The notice involves a public contract

II.1.4. Information about framework agreement

II.1.5. Short description of the contract or purchase(s)

Luas Cross City will represent the next addition to Dublin's Luas light railway system. Running from the Luas Green Line terminus at St. Stephen's Green through the city centre,

Phibsborough and Cabra to Broombridge the new line will link the Luas Red and Green Lines. The proposed line is approximately 5.6 km in length. RPA is seeking to procure a Contractor for the design and construction of the infrastructure of this Luas extension. This work will be carried out under the Public Works Contract for the Provision of Civil Engineering Works Designed by the Contractor (design and build contract) as further described in the Information Memorandum.

II.1.6. CPV code(s)

45234100 Railway construction works, 45220000 Engineering works and construction works, 45234121 Tramway works

II.1.7. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: yes

II.1.8. Information about lots

This contract is divided into lots: no

II.1.9. Information about variants

Variants will be accepted: no

II.2. Scope of the procurement

II.2.1. Total quantity or scope

The contract scope includes but is not limited to the following:

Design and construction of:

- Trackwork of approximately 13 800 metres in length including the following track types: - ballast, slab, shared, segregated, plinth,
- Depot including administration building and maintenance shed; stabling for trams; sand plant and wash plant,
- Substations civils,
- 13 stops,
- Overhead Contact System,
- Associated drainage,
- Cutting walls stabilisation,
- Bridge rehabilitation works,
- Surfacing.

The scope also includes Interface Management between third parties.

II.2.2. Information about options

Options: yes

Description of options: RPA may request, as will be further described in the tender documents, proposals from Tenderers for alternative payment arrangements where the majority of payments to the Contractor under the Infrastructure Works Contract will be made towards the end of the Works.

II.2.3. Information about renewals

II.3. Duration of the contract or time limit for completion

Duration in months: 36 (from the award of the contract)

Section III: Legal, economic, financial and technical information

III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

As per Contract.

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

As per Contract.

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

If a tender is submitted by a group (more than one) of suppliers, then those suppliers, if awarded the Contract, may be required to assume such legal form by incorporation, partnership, or otherwise as will enable them to contract as a single entity. It may become necessary for the group to state a single addressee responsible for the receipt and processing of the participating orders and resolving any problems to the Contract. RPA reserves the right to disqualify any group or consortium which makes changes to the composition of the group after pre-qualification without the consent of RPA.

III.1.4. Contract performance conditions

The performance of the contract is subject to particular conditions: yes

Description of particular conditions: As per the Invitation to Negotiate.

III.2. Conditions for participation

III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

This is a recurrent procurement: no

VI.2. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds: no

VI.3. Additional information

RPA will not be responsible for any costs, expenses or charges incurred by candidate or tenderers involved in this process. Award of contracts will be subject to the approval of the competent authorities. If, as a result of institutional reform, the RPA merges with, or is subsumed into, another public body, any reference to the RPA in the OJEU Contract Notice

and any tender documentation shall be read as a reference to such public body or any new public body arising from such institutional reform. Candidates are advised that RPA is subject to the Freedom of Information Acts 1997 and 2003 (as amended). If a candidate considers that any information supplied as part of this procurement procedure should not be disclosed because of its commercial sensitivity, confidentiality or otherwise, they must, when providing this information, clearly identify the specific information they do not wish to be disclosed and clearly specify the reasons for its sensitivity. Please note, it is not sufficient to include a statement of confidentiality encompassing all the information provided in the response. Any contract award will be subject to the production of a current tax clearance certificate from the Revenue Commissioners in Ireland or, for a non-resident, a statement from the Revenue Commissioners in Ireland confirming suitability on tax grounds. Where a candidate is a consortium, each member may be required to contract on the basis of joint and several liability.
