

UK-Porth: engineering works and construction works

OJ S 199/2012 16/10/2012

Contract notice**Works****Directive 2004/18/EC****Section I: Contracting authority**

I.1. Name and addresses

Official name: Rhondda Cynon Taf CBC Procurement Unit

Postal address: Bronwydd House

Town: Porth

Postal code: CF39 1DL

Country: United Kingdom

For the attention of: Mark Muller

E-mail: purchasing@rhondda-cynon-taff.gov.uk

Telephone: +44 1443680681

Additional information can be obtained from:

the abovementioned address

I.2. Type of the contracting authority

Regional or local authority

I.3. Main activity

General public services

I.4. Contract award on behalf of other contracting authorities

The contracting authority is purchasing on behalf of other contracting authorities: yes

Section II: Object of the contract

II.1. Description**II.1.1. Title attributed to the contract by the contracting authority**

South East Wales Highways and Civil Engineering Contractors' Framework Agreement.

II.1.2. Type of contract and place of performance or delivery

Works

Realisation, by whatever means of work, corresponding to the requirements specified by the contracting authorities

Main site or place of performance: Various sites across South-East Wales.

NUTS code UKL2 East Wales

II.1.3. Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

II.1.4. Information about framework agreement

Framework agreement with several operators

Number Envisaged maximum number of participants to the framework agreement: a

maximum number of 6 participants for lots 1- 11 and a maximum number of 4 participants

for lot 12 of the framework agreement are envisaged

Duration of the framework agreement

Duration in years: 4

II.1.5. Short description of the contract or purchase(s)

The aim of the project is to create a framework of contractors with expertise in civil engineering and highways construction. The framework agreement will look to develop good working practices with its stakeholders across the South East Wales Region to promote good practice, improve sustainability and added value through community benefits.

The framework agreement will be divided into twelve lots. Lots 1- 8 are based on geographical boundaries with lots 9-12 covering the boundaries of all of the participating authorities. Further information in respect of the lots can be found in the suite of Pre

Qualification Documents which can be accessed through Alito (<http://appswales.alito.co.uk>). Community Benefits apply to this contract, Further details: The participating authorities are committed to contributing to the social, economic and environmental well-being of the wider community. The successful contractors will be expected to consider community benefits including opportunities to recruit and train long term economically inactive persons as part of the workforce delivering this project. Specific requirements will be detailed within the contract documents.

II.1.6. CPV code(s)

45220000 Engineering works and construction works, 45231000 Construction work for pipelines, communication and power lines, 45232000 Ancillary works for pipelines and cables, 45233000 Construction, foundation and surface works for highways, roads, 45234000 Construction work for railways and cable transport systems, 45237000 Stage construction works, 45243000 Coastal-defence works, 45246000 River regulation and flood control works, 45247000 Construction work for dams, canals, irrigation channels and aqueducts, 45110000 Building demolition and wrecking work and earthmoving work, 45113000 Siteworks, 45221000 Construction work for bridges and tunnels, shafts and subways, 45222000 Construction work for engineering works except bridges, tunnels, shafts and subways, 45223000 Structures construction work, 80500000 Training services, 80530000 Vocational training services, 80570000 Personal development training services, 79600000 Recruitment services

II.1.7. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: yes

II.1.8. Lots

This contract is divided into lots: yes

Tenders may be submitted for one or more lots

II.1.9. Information about variants

Variants will be accepted: no

II.2. Scope of the procurement

II.2.1. Total quantity or scope

II.2.2. Information about options

II.2.3. Information about renewals

II.3. Duration of the contract or time limit for completion

Duration in months: 48 (from the award of the contract)

Information about lots

Lot No: 1

Lot title: Maintenance works in Area A up to the value of 100 000 GBP

1) Short description

Lot 1 – will cover maintenance work up to the value of 100 000 GBP per contract in Blaenau Gwent, Monmouthshire and Torfaen (“Area A”).

2) CPV code(s)

45233000 Construction, foundation and surface works for highways, roads, 45113000 Siteworks, 45222000 Construction work for engineering works except bridges, tunnels, shafts and subways, 80500000 Training services, 80530000 Vocational training services, 80570000 Personal development training services, 79600000 Recruitment services

3) Quantity or scope

4) Indication about different time frame or duration

5) Additional information about lots

Lot No: 2

Lot title: Maintenance works in Area B up to the value of 100 000 GBP

1) Short description

Lot 2 – will cover maintenance work up to the value of 100 000 GBP per contract in Merthyr Tydfil, Rhondda Cynon Taf and Caerphilly (“Area B”).

2) CPV code(s)

45233000 Construction, foundation and surface works for highways, roads, 45113000 Siteworks, 45222000 Construction work for engineering works except bridges, tunnels, shafts and subways, 80500000 Training services, 80530000 Vocational training services, 80570000 Personal development training services, 79600000 Recruitment services

3) Quantity or scope

4) Indication about different time frame or duration

5) Additional information about lots

Lot No: 3

Lot title: Maintenance works in Area C up to the value of 100 000 GBP

1) Short description

Lot 3 – will cover maintenance work up to the value of 100 000 GBP per contract in Newport and Cardiff (“Area C”).

2) CPV code(s)

45233000 Construction, foundation and surface works for highways, roads, 45113000 Siteworks, 45222000 Construction work for engineering works except bridges, tunnels, shafts and subways, 80500000 Training services, 80530000 Vocational training services, 80570000 Personal development training services, 79600000 Recruitment services

3) Quantity or scope

4) Indication about different time frame or duration

5) Additional information about lots

Lot No: 4

Lot title: Maintenance works in Area D up to the value of 100 000 GBP

1) Short description

Lot 4 – will cover maintenance work up to the value of 100 000 GBP per contract in Bridgend and Vale of Glamorgan (“Area D”).

2) CPV code(s)

45233000 Construction, foundation and surface works for highways, roads, 45113000 Siteworks, 45222000 Construction work for engineering works except bridges, tunnels, shafts and subways, 80500000 Training services, 80530000 Vocational training services, 80570000 Personal development training services, 79600000 Recruitment services

3) Quantity or scope

4) Indication about different time frame or duration

5) Additional information about lots

Lot No: 5

Lot title: New project work between the value of 0 GBP and 250 000 GBP in Area A

1) Short description

Lot 5 will cover new project work for civil engineering and highways scheme between the value of 0 GBP and 250 000 GBP per contract in Blaenau Gwent, Monmouthshire and Torfaen (“Area A”).

2) CPV code(s)

45220000 Engineering works and construction works, 45231000 Construction work for pipelines, communication and power lines, 45232000 Ancillary works for pipelines and cables, 45233000 Construction, foundation and surface works for highways, roads, 45234000 Construction work for railways and cable transport systems, 45237000 Stage construction works, 45243000 Coastal-defence works, 45246000 River regulation and flood control works, 45247000 Construction work for dams, canals, irrigation channels and aqueducts, 45110000 Building demolition and wrecking work and earthmoving work, 45113000 Siteworks, 45221000 Construction work for bridges and tunnels, shafts and subways, 45222000 Construction work for engineering works except bridges, tunnels, shafts and subways, 45223000 Structures construction work, 80500000 Training services, 80530000 Vocational training services, 80570000 Personal development training services, 79600000 Recruitment services

3) Quantity or scope

4) Indication about different time frame or duration

5) Additional information about lots

Lot No: 6

Lot title: New project work between the value of 0 GBP and 250 000 GBP in Area B

1) Short description

Lot 6 will cover new project work for civil engineering and highways scheme between the value of 0 GBP and 250 000 GBP per contract in Merthyr Tydfil, Rhondda Cynon Taf and Caerphilly (“Area B”).

2) CPV code(s)

45220000 Engineering works and construction works, 45231000 Construction work for pipelines, communication and power lines, 45232000 Ancillary works for pipelines and cables, 45233000 Construction, foundation and surface works for highways, roads, 45234000

Construction work for railways and cable transport systems, 45237000 Stage construction works, 45243000 Coastal-defence works, 45246000 River regulation and flood control works, 45247000 Construction work for dams, canals, irrigation channels and aqueducts, 45110000 Building demolition and wrecking work and earthmoving work, 45113000 Siteworks, 45221000 Construction work for bridges and tunnels, shafts and subways, 45222000 Construction work for engineering works except bridges, tunnels, shafts and subways, 45223000 Structures construction work, 80500000 Training services, 80530000 Vocational training services, 80570000 Personal development training services, 79600000 Recruitment services

3) Quantity or scope

4) Indication about different time frame or duration

5) Additional information about lots

Lot No: 7

Lot title: New project work between the value of 0 GBP and 250 000 GBP in Area C

1) Short description

Lot 7 will cover new project work for civil engineering and highways scheme between the value of 0 GBP and 250 000 GBP per contract in Newport and Cardiff ("Area C").

2) CPV code(s)

45220000 Engineering works and construction works, 45231000 Construction work for pipelines, communication and power lines, 45232000 Ancillary works for pipelines and cables, 45233000 Construction, foundation and surface works for highways, roads, 45234000 Construction work for railways and cable transport systems, 45237000 Stage construction works, 45243000 Coastal-defence works, 45246000 River regulation and flood control works, 45247000 Construction work for dams, canals, irrigation channels and aqueducts, 45110000 Building demolition and wrecking work and earthmoving work, 45113000 Siteworks, 45221000 Construction work for bridges and tunnels, shafts and subways, 45222000 Construction work for engineering works except bridges, tunnels, shafts and subways, 45223000 Structures construction work, 80500000 Training services, 80530000 Vocational training services, 80570000 Personal development training services, 79600000 Recruitment services

3) Quantity or scope

4) Indication about different time frame or duration

5) Additional information about lots

Lot No: 8

Lot title: New project work between the value of £0 and 250 000 GBP in Area D

1) Short description

Lot 8 will cover new project work for civil engineering and highways scheme between the value of 0 GBP and 250 000 GBP per contract in Bridgend and Vale of Glamorgan ("Area D").

2) CPV code(s)

45220000 Engineering works and construction works, 45231000 Construction work for pipelines, communication and power lines, 45232000 Ancillary works for pipelines and cables, 45233000 Construction, foundation and surface works for highways, roads, 45234000 Construction work for railways and cable transport systems, 45237000 Stage construction works, 45243000 Coastal-defence works, 45246000 River regulation and flood control works, 45247000 Construction work for dams, canals, irrigation channels and aqueducts, 45110000 Building demolition and wrecking work and earthmoving work, 45113000 Siteworks, 45221000

Construction work for bridges and tunnels, shafts and subways, 45222000 Construction work for engineering works except bridges, tunnels, shafts and subways, 45223000 Structures construction work, 80500000 Training services, 80530000 Vocational training services, 80570000 Personal development training services, 79600000 Recruitment services

3) Quantity or scope

4) Indication about different time frame or duration

5) Additional information about lots

Lot No: 9

Lot title: New project work between the value of 250 001 GBP and 2 000 000 GBP across areas A - D

1) Short description

Lot 9 will cover new project work for civil engineering and highways schemes between the value of 250 001 GBP and 2 000 000 GBP per contract in Blaenau Gwent, Monmouthshire and Torfaen ("Area A"), Merthyr Tydfil, Rhondda Cynon Taf and Caerphilly ("Area B"), Newport and Cardiff ("Area C") and Bridgend and Vale of Glamorgan ("Area D").

2) CPV code(s)

45220000 Engineering works and construction works, 45231000 Construction work for pipelines, communication and power lines, 45232000 Ancillary works for pipelines and cables, 45233000 Construction, foundation and surface works for highways, roads, 45234000 Construction work for railways and cable transport systems, 45237000 Stage construction works, 45243000 Coastal-defence works, 45246000 River regulation and flood control works, 45247000 Construction work for dams, canals, irrigation channels and aqueducts, 45110000 Building demolition and wrecking work and earthmoving work, 45113000 Siteworks, 45221000 Construction work for bridges and tunnels, shafts and subways, 45222000 Construction work for engineering works except bridges, tunnels, shafts and subways, 45223000 Structures construction work, 80500000 Training services, 80530000 Vocational training services, 80570000 Personal development training services, 79600000 Recruitment services

3) Quantity or scope

4) Indication about different time frame or duration

5) Additional information about lots

Lot No: 10

Lot title: New project work between the value of 2 000 001 GBP and 5 000 000 GBP across areas A - D

1) Short description

Lot 10 will cover new project work for civil engineering and highways schemes between the value of 2 000 001 GBP and 5 000 000 GBP per contract in Blaenau Gwent, Monmouthshire and Torfaen ("Area A"), Merthyr Tydfil, Rhondda Cynon Taf and Caerphilly ("Area B"), Newport and Cardiff ("Area C") and Bridgend and Vale of Glamorgan ("Area D").

2) CPV code(s)

45220000 Engineering works and construction works, 45231000 Construction work for pipelines, communication and power lines, 45232000 Ancillary works for pipelines and cables, 45233000 Construction, foundation and surface works for highways, roads, 45234000 Construction work for railways and cable transport systems, 45237000 Stage construction works, 45243000 Coastal-defence works, 45246000 River regulation and flood control works, 45247000 Construction work for dams, canals, irrigation channels and aqueducts, 45110000 Building demolition and wrecking work and earthmoving work, 45113000 Siteworks, 45221000

Construction work for bridges and tunnels, shafts and subways, 45222000 Construction work for engineering works except bridges, tunnels, shafts and subways, 45223000 Structures construction work, 80500000 Training services, 80530000 Vocational training services, 80570000 Personal development training services, 79600000 Recruitment services

3) Quantity or scope

4) Indication about different time frame or duration

5) Additional information about lots

Lot No: 11

Lot title: Surfacing projects for values between 0 GBP and 10 000 000 GBP in Areas A-D

1) Short description

Lot 11 will cover surfacing projects to highways for values between 0 GBP to 10 000 000 GBP per contract in Blaenau Gwent, Monmouthshire and Torfaen ("Area A"), Merthyr Tydfil, Rhondda Cynon Taf and Caerphilly ("Area B"), Newport and Cardiff ("Area C") and Bridgend and Vale of Glamorgan ("Area D").

2) CPV code(s)

45233000 Construction, foundation and surface works for highways, roads, 45113000 Siteworks, 45222000 Construction work for engineering works except bridges, tunnels, shafts and subways, 80500000 Training services, 80530000 Vocational training services, 80570000 Personal development training services, 79600000 Recruitment services

3) Quantity or scope

4) Indication about different time frame or duration

5) Additional information about lots

Lot No: 12

Lot title: Surfacing preservation and treatment works to highways for values between 0 GBP to 5 000 000 GBP.

1) Short description

Lot 12 will be for surfacing preservation works and treatment works to highways for values between 0 GBP to 5 000 000 GBP per contract in Blaenau Gwent, Monmouthshire and Torfaen ("Area A"), Merthyr Tydfil, Rhondda Cynon Taf and Caerphilly ("Area B"), Newport and Cardiff ("Area C") and Bridgend and Vale of Glamorgan ("Area D").

2) CPV code(s)

45233000 Construction, foundation and surface works for highways, roads, 45113000 Siteworks, 45222000 Construction work for engineering works except bridges, tunnels, shafts and subways, 80500000 Training services, 80530000 Vocational training services, 80570000 Personal development training services, 79600000 Recruitment services

3) Quantity or scope

4) Indication about different time frame or duration

5) Additional information about lots

Section III: Legal, economic, financial and technical information

III.1. Conditions related to the contract

III.1.1. Deposits and guarantees required

The lead authority reserves the right to request a bond, parent guarantee and/or other guarantees of financial liability both at award of the framework agreement and during the term of the framework agreement.

III.1.2. Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

As set out in the tender documents.

III.1.3. Legal form to be taken by the group of economic operators to whom the contract is to be awarded

None specified, save that in the case of a partnership or consortia or other grouping of more than one legal entity, one party must act as the lead contractor. Consortia must EITHER be legally constituted as a single legal entity prior to contract award OR all members must accept joint and several liability.

III.1.4. Contract performance conditions

The performance of the contract is subject to particular conditions: yes
Description of particular conditions: As outlined in the tender documentation.

III.2. Conditions for participation

III.2.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions: Information and formalities necessary for evaluating if the requirements are met:
As set out in the pre-qualification documentation.

III.2.2. Economic and financial ability

List and brief description of conditions: Information and formalities necessary for evaluating if the requirements are met:
As set out in the pre-qualification documentation.
Minimum level(s) of standards possibly required: Information and formalities necessary for evaluating if the requirements are met:
As set out in the pre-qualification documentation.

III.2.3. Technical and professional ability

List and brief description of conditions:
Information and formalities necessary for evaluating if the requirements are met:
As set out in the pre-qualification documentation.
Minimum level(s) of standards possibly required:
Information and formalities necessary for evaluating if the requirements are met:
As set out in the pre-qualification documentation.

III.2.4. Information about reserved contracts

III.3. Conditions specific to services contracts

III.3.1. Information about a particular profession

Execution of the service is reserved to a particular profession: no

III.3.2. Information about staff responsible for the performance of the contract

Section IV: Procedure

IV.1. Type of procedure

IV.1.1. Type of procedure

Restricted

IV.1.2. Information about the limits on the number of candidates to be invited

Envisaged minimum number 4: and Maximum number 6

Objective criteria for choosing the limited number of candidates: Maximum number of contractors to be appointed to the framework agreement:

6 contractors for lots 1 to 11 and 4 contractors for lot 12.

Maximum number of contractors to be invited to tender:

12 contractors for lots 1 to 11 and 8 for lot 12 (minimum number of 5 for each lot)

The criteria used for selecting the minimum number of candidates to tender for each lot is detailed in the pre qualification questionnaire ("PQQ") and supporting documentation.

IV.1.3. Information about reduction of the number of solutions or tenders during negotiation or dialogue

IV.2. Award criteria

IV.2.1. Award criteria

The most economically advantageous tender in terms of Price is not the only award criterion and all criteria are stated only in the procurement documents

IV.2.2. Information about electronic auction

An electronic auction will be used: no

IV.3. Administrative information

IV.3.1. File reference number attributed by the contracting authority

R325 / 13

IV.3.2. Previous publication concerning this procedure

no

IV.3.3. Conditions for obtaining specifications and additional documents or descriptive document

Payable documents: no

IV.3.4. Time limit for receipt of tenders or requests to participate

19.11.2012 - 12:00

IV.3.5. Estimated date of dispatch of invitations to tender or to participate to selected candidates

IV.3.6. Languages in which tenders or requests to participate may be submitted

English.

IV.3.7. Minimum time frame during which the tenderer must maintain the tender

IV.3.8. Conditions for opening of tenders

Section VI: Complementary information

VI.1. Information about recurrence

VI.2. Information about European Union funds

VI.3. Additional information

The procurement process will be conducted via the Alito Procurement Portal and any organisation wishing to express an interest in tendering must do so via this portal.

Registration on the Alito Procurement Portal is free and guidance is available by e-mailing the following address: alito@rctcbc.gov.uk.

The web address for Alito is: <http://appswales.alito.co.uk>.

This is a restricted process and successful organisations will be shortlisted from the Pre Qualification stage and invited to participate at Tender stage.

A PQQ must be completed and returned with the request to participate.

The PQQ document can be downloaded via the Alito website. This document and any supporting attachments must be submitted back through the Alito System.

The lead contracting authority reserves the right to award all, part or none of the lots of this procurement and to abandon this procurement at any time. Under no circumstances will any of the participating authorities incur any liability (including but not limited to, liability as to costs) in respect of this procurement exercise, the abandonment of the same, or any documentation issued as part of this procurement exercise.

The tender documents will outline the requirements of the tender process and the evaluation criteria.

Completed PQQs are to be returned in accordance with the instructions in the PQQ documentation and in order to receive consideration must be received no later than 12:00 noon on [Monday 19th November 2012]. It should be noted that the PQQ documentation will not be available after this time.

It is anticipated that the invitation to tender ("ITT") will be sent out in [December 2012], however, the lead authority reserves the right to change this date at any time.

The PQQ selection criteria are detailed in the PQQ documentation. The tender award criteria for this procurement will comprise of [cost and quality]. Full details of the award criteria and the method of evaluation will be provided in the ITT.

The lead authority does not bind itself, or any of the participating authorities to accept the lowest or any tender as part of this process.

Buy4Wales Reference Number: 32229.

VI.4. Procedures for review

VI.4.1. Review body

VI.4.2. Review procedure

Precise information on deadline(s) for review procedures: The lead authority will notify candidates of whether or not they have been successful in accordance with the provisions of Regulation 32(1) to 32(A) of the Public Contracts Regulations 2006 and will hold a mandatory standstill period.

It should be noted that the lead authority is now automatically obliged to refrain from entering into a contract when proceedings are brought in respect of the award decision if the framework agreement has not been concluded.

VI.4.3. Service from which information about the review procedure may be obtained

VI.5. Date of dispatch of this notice

12.10.2012
