A multi-use games area was established in the school playground in 2002. We would like tenders for upgrading this if there is financing from the lottery fund. This must be priced as an option.

After a review with pupils from all years, the following wish list has been prepared via the pupil council:

- Zipline
- Climbing installations
- Swings
- Trampoline
- Sledging hill

Tenderers must offer an outside area that is ready for use, including all costs such as engineering design, establishment, assembly, freight, any building applications, packaging, packaging recycling, fees, documentation, etc., (the list is not exhaustive).
