The procurement includes the right for Yle to make slight adjustments to the Solution to be procured according to the contract draft.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Open procedure Accelerated procedure Justification:

The previous procurement procedure of this procurement was suspended due to a change in Yle's financial circumstances which has led to an unexpected delay of this procurement. This procurement is a substantial part of the studio renewal project and, at this point, time is of the essence since for the whole project to succeed and to stay on schedule, it is of fundamental importance that all critical suppliers, the led walls supplier included, are involved in the collaborative planning stage. Due to the unexpected delay caused by the suspension of the previous procurement, compliance with the time limits in this procedure is not possible in practice and the accelerated procedure is required. In order to ensure the timely involvement of the led walls supplier in the planning stage of the whole project.

IV.1.3. Information about a framework agreement or a dynamic purchasing system

IV.1.8. Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: yes

IV.2. Administrative information

IV.2.1. Previous publication concerning this procedure

Notice number in the OJ S: [2023/S 041-121986](#)

IV.2.8. Information about termination of dynamic purchasing system

IV.2.9. Information about termination of call for competition in the form of a prior information notice
