Section II: Object

II.1. Scope of the procurement

II.1.1. Title

Better Decision Basis in the Transport Sector — Development of Socio-economic Analyses and Systemisation of Relevant Decision Information

Reference number: 21/1688

II.1.2.

Main CPV code

73200000 Research and development consultancy services

II.1.3. Type of contract

Services

II.1.4. Short description

The intention of this assignment is to get an assessment of the needs and proposals for a system for the further development of the decision basis in the transport sector based on the socio-economic analyses. This includes mapping the current methods and best practice, as well as how the results from the analysis work that transport entities do can be used better in the decision basis in the sector and in the work on the National Transport Plan.

The work is to be done within a limit of NOK 1 500 000 excluding VAT, with deliveries of parts 1, 2 and 3 by 8 December 2021. In addition there is an option (part 4) for further development in 2022 within a limit of NOK 1 000 000 excluding VAT. The option will be assessed in January 2022, so that this could be taken up and the work could start tentatively in February 2022, with the goal of completing the final report for part 4 by July 2022. The estimated total value of the contract, including options, is NOK 2 500 000 excluding VAT.

II.1.5. Estimated total value

Value excluding VAT: 2 500 000,00 NOK

II.1.6. Information about lots

This contract is divided into lots: no

Value excluding VAT: 2 500 000,00 NOK

II.2.7. Duration of the contract, framework agreement or dynamic purchasing system

Duration in months: 4

This contract is subject to renewal: no

II.2.10. Information about variants

Variants will be accepted: no

II.2.11. Information about options

Options: yes

Description of options:

There is an option (part 4) for further development in 2022 within a limit of NOK 1 000 000 excluding VAT. The option will be assessed in January 2022, so that this could be taken up and the work could start tentatively in February 2022, with the goal of completing the final report for part 4 by July 2022.

II.2.13. Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds:
no

II.2.14. Additional information

Section III: Legal, economic, financial and technical information

III.1. Conditions for participation

III.1.1. Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions:

Requirements: tenderers must be a legally established company.

Documentation:

Norwegian companies: company registration certificate or a printout from the unit register for sole proprietorships not required to register.

Foreign companies: Verification that the company is registered in a trade or business register as prescribed by the law of the country where the tenderer is established. Confirmation can be submitted in writing or through BRIS.

III.1.2. Economic and financial standing

List and brief description of selection criteria:

Requirement: paid taxes and duties.

Documentation: a certificate, not older than six months, verifying that the tenderer has fulfilled his obligations in relation to the payment of taxes, social security contributions and VAT. The certificate can be ordered and obtained from Altinn by using a separate link on skatteetaten.no. If this is not possible, it can be ordered from the tax collector or the Norwegian Tax Administration. The certificate is electronically certified and is therefore not signed. See skatteetaten.no for further information. Foreign tenderers must present certificates from equivalent authorities to the Norwegian authorities.

Requirement: tenderers must have sufficient economic and financial capacity to carry out the delivery, in which, amongst other things, being creditworthy without any requirement for collateral will be adequate.

Documentation: a credit rating with key figures from a certified credit rating company or other documentation to demonstrate that the requirement has been met.

III.1.3. Technical and professional ability

List and brief description of selection criteria:

Requirement: tenderers must have sufficient ability and experience to carry out the delivery.

Documentation: a description of the tenderer's up to three most relevant assignments in the last 3 years, together with information on the contracts' value, date of delivery or execution, and the name of the recipient. Relevant assignments means consequence assessments, socio-economic analyses, and/or other tools for decision support. Tenderers are responsible for ensuring that the description is of such a nature that it documents fulfilment of the requirement.

Requirement: tenderers must have sufficient capacity to carry out the delivery within the specified limitations and deadlines.

Documentation: a description of the tenderer's average annual workforce and the number of employees in the management in the last 3 years.

Section IV: Procedure

IV.1. Description

IV.1.1. Type of procedure

Open procedure

IV.1.3. Information about a framework agreement or a dynamic purchasing system

IV.1.8. Information about the Government Procurement Agreement (GPA)
