Legal type of the buyer: Local authority

Activity of the contracting authority: General public services

### 2. Procedure

---

#### 2.1. Procedure

Title: Modification and Award notice for Contract for Technical Consultancy services for the design and construction of the Fitzwilliam Street Cycle Improvement Scheme.

Description: This is acting as an Award Notice and Modification Notice to a Contract for Technical Consultancy services for the design and construction of the Fitzwilliam Street Cycle Improvement Scheme which was drawn down via mini competition from RFT ID 280872 Framework Agreement for Technical Consultancy Services for Transport Projects funded by the National Transport Authority 2016-2018 published on the previous eTenders system, prior to the introduction of the new TED eForms.

Procedure identifier: 993ea697-4064-44e5-8be0-caf510fdf9b5

Type of procedure: Restricted

##### 2.1.1. Purpose

Main nature of the contract: Services

Main classification (cpv): 71311000 Civil engineering consultancy services

##### 2.1.2. Place of performance

Country subdivision (NUTS): Dublin (IE061)

Country: Ireland

##### 2.1.3. Value

Estimated value excluding VAT: 597 604,50 EUR

##### 2.1.4. General information

Additional information: A Contract was awarded to AECOM for the provision of Technical Consultancy services for the design and construction of the Fitzwilliam Street Cycle Improvement Scheme on 14/06/2018 at a value of €114,983. The contract was awarded for the provision of Consultancy Services for feasibility design review, document review, preliminary design, statutory planning process, detailed design, tender action, evaluation and award, role of designer and project supervisor design process, monitoring and close out for the Fitzwilliam Street Cycle Improvement Scheme. Since the award of contract, there has been a

need for seventeen modifications for additional services: Carrying out appropriate assessment screening and environmental impact assessment screening. Additional services to develop a calibrated and validated base VISSIM traffic model. Additional services to design sections of watermain identified by Irish water for replacement within the footprint of Fitzwilliam Cycle Route project. Design sections of additional water main to be replaced in order to connect the previously identified sections of water main already rehabilitated and to amend tender documentation as per Irish Water requirements. Additional road safety audits. To carry out additional public consultation which was not envisaged at the Request for Tender stage. Provision of additional services relating to client instruction No.5 (cellar survey), additional drainage design, preparation of cellar survey tender documents and assessment of tenders and additional site investigation. Client Instruction No.8 (detailed design for Adelaide Island advanced works) and Client Instruction No.11 (site supervision for the site investigation). Client Instruction No.9 for additional design services for the proposed plaza at Adelaide Island. Additional design services for revised ITS traffic and fibre infrastructure requirements and redesign due to the Cellar and Trial Hole Surveys. Additional design services for revised junction layouts. Additional design services for revised drainage design and revised watermain design. Additional design services including additional access requirements to water infrastructure at Adelaide Island additional landscaping and Public Realm requirements to Adelaide Island, additional public lighting design, additional survey of footpaths, revised pavement design and revised layout to the Dublin Bikes Station. Additional consultancy services to prepare a final business case for the Fitzwilliam Street Cycle Improvement Scheme. Additional design services (change order 16) to update the design with the approved Bus Connects impacts on the Fitzwilliam Street Cycle Improvement Scheme. Additional engineering consultancy services for the Fitzwilliam Cycle Route, to add a signalised crossing at Fitzwilliam Square North, update the detailed design and tender documents and additional services to support the project through procurement, construction and close out. These modifications are justified under Directive 2014/14/EU Article 72 1(b) for additional works, services or supplies by the original contractor that have become necessary and that were not included in the initial procurement where a change of contractor: (i) cannot be made for economic or technical reasons such as requirements of interchangeability or interoperability with existing equipment, services or installations procured under the initial procurement; and (ii) would cause significant inconvenience or substantial duplication of costs for the contracting authority. However, any increase in price shall not exceed 50% of the value of the original contract. Where several successive modifications are made, that limitation shall apply to the value of each modification. Such consecutive modifications shall not be aimed at circumventing this Directive.” The full value of modifications is €482,621.50 Dublin City Council confirms that no single modification exceeds 50% of the original contract value. The new contract value is €597,604.50

**Legal basis:**

Directive 2014/24/EU

Internal identifier: 1

#### **5.1.1. Purpose**

Main nature of the contract: Services

Main classification (cpv): 71311000 Civil engineering consultancy services

#### **5.1.2. Place of performance**

Country subdivision (NUTS): Dublin (IE061)

Country: Ireland

#### **5.1.5. Value**

Estimated value excluding VAT: 597 604,50 EUR

#### **5.1.6. General information**

Procurement Project not financed with EU Funds.

The procurement is covered by the Government Procurement Agreement (GPA): no

#### **5.1.7. Strategic procurement**

Aim of strategic procurement: No strategic procurement

#### **5.1.10. Award criteria**

##### **Criterion:**

Type: Quality

Description: Quality @80%

Category of award weight criterion: Weight (percentage, exact)

Award criterion number: 80

##### **Criterion:**

Type: Cost

Description: Cost @20%

Category of award weight criterion: Weight (percentage, exact)

Award criterion number: 20

#### **5.1.15. Techniques**

##### **Framework agreement:**

No framework agreement

##### **Information about the dynamic purchasing system:**

No dynamic purchase system

#### **5.1.16. Further information, mediation and review**

Review organisation: The High Court of Ireland

Organisation providing more information on the review procedures: The High Court of Ireland

Organisation signing the contract: Dublin City Council

## **6. Results**

---

Value of all contracts awarded in this notice: 597 604,50 EUR

#### **6.1. Result lot identifier: LOT-0001**

Winner selection status: At least one winner was chosen.

#### **6.1.2. Information about winners**

##### **Winner:**

Official name: Aecom Limited

**Tender:**

Tender identifier: Aecom Limited

Identifier of lot or group of lots: LOT-0001

Value of the tender: 597 604,50 EUR

Subcontracting: No

**Contract information:**

Identifier of the contract: Contract for Technical Consultancy services for the design and construction of the Fitzwilliam Street Cycle Improvement Scheme.

Date on which the winner was chosen: 08/05/2018

Date of the conclusion of the contract: 14/06/2018

Organisation signing the contract: Dublin City Council

**6.1.4. Statistical information**

**Received tenders or requests to participate:**

Type of received submissions: Tenders

Number of tenders or requests to participate received: 2
