Shortlisted organisations will then be invited to tender in January 2018. The Selection Questionnaire document also contains an ITT Overview that sets out the high-level requirements of the Framework Agreement. This document will allow organisations to determine if they are interested in this opportunity and consider whether they have the required capability and capacity to deliver the Framework Agreement prior to submitting a Selection Questionnaire. The Framework Contract will be a sole supplier Framework Contract with one Lot. Those organisations shortlisted from Selection Questionnaire and invited to

tender will be evaluated in accordance with the Award Criteria contained within the Invitation to Tender documents. NEPO may then negotiate with an organisation(s) in line with the requirements of the Competition with Negotiation procedure. NEPO also reserves the right not to enter into negotiation and accept an initial Tender. The opportunity can be accessed via the NEPO eTender system. Suppliers wishing to be considered for this contract must register their expression of interest and submit a tender through the NEPO eTender system. If not already registered, candidates should register on the NEPO eTender system at <https://procontract.duenorth.com/register?openform>

Tenders must be submitted using the link above. Tenders submitted via postal or email methods will not be accepted. If you require time-critical assistance on submitting your Tender please contact the System Support Team on 0330 0050352. For non-time critical issues, such as passwords, general account queries and location of information etc. please contact Proactis Supplier Support Helpdesk Ticketing System (<http://proactis.kayako.com>) and select ProContract V3 support. You will then need to login or submit a ticket to register your issue.

Alternatively, you can email ProContractSuppliers@proactis.com

This will automatically log a support ticket on the Proactis Supplier Support Helpdesk. NEPO does not give any guarantee and/or warrant the actual value of the goods (if any) which will be placed with the successful suppliers by any Contracting Authority using the Framework Contract pursuant to this process and accepts no liability thereof.
